

2019-2020 BUDGET ADOPTED

For the biennium January 1, 2019 through December 31, 2020

City of Burien, Washington
400 SW 152nd Street, Suite 300
Burien, WA 98166
(206) 241-4647

VISION FOR BURIEN

Our Future. Our Choices.

A vibrant and creative community, where the residents embrace diversity, celebrate arts and culture, promote vitality, and treasure the environment

COMMUNITY

**Genuine
Engaged
Stable**

Burien residents are welcoming, know their neighbors, and work together.
Burien residents enjoy robust civic and cultural participation.
Burien strives for stability by encouraging provision of basic services for all of its residents.

DIVERSITY

**Inclusive
Multicultural
Multi-centered**

Burien embraces diversity and welcomes all residents.
Burien celebrates the many cultures and backgrounds of its residents.
Burien cultivates a thriving array of business and community centers.

ENVIRONMENT

**Natural
Green
Livable**

Burien conserves its natural environment and public waterfronts.
Burien treasures parks and open spaces, and welcomes opportunities for more.
Burien makes sustainable land, energy, water, and transportation choices.

PROSPERITY

**Local
Expansive
Creative**

Burien values local services and supports local businesses.
Burien encourages businesses in order to expand its economic base.
Burien promotes and supports its rich palette of arts, culture, and heritage.

EDUCATION & YOUTH

**Teaching
Learning
Nurturing**

Burien believes that quality schools are essential to its long-term success.
Burien actively promotes early childhood education and life-long learning.
Burien supports its youth with programs to augment its schools.

HEALTH & SAFETY

**Healthy
Active
Peaceful**

Burien promotes community vitality with health and wellness services for all ages.
Burien encourages active living to support physical and mental health.
Burien ensures public safety through both crime prevention and law enforcement.

GOVERNANCE

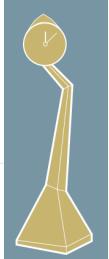

**Responsive
Effective
Collaborative**

Burien's city government operates in an open & accountable manner.
Burien's city government strives for organizational excellence.
Burien fosters partnerships with others in pursuit of common objectives.

VISION FOR BURIEN

Our Future. Our Choices.

burienwa.gov

Dear City Councilmembers,

I am pleased to present the 2019-2020 Budget, adopted by the City Council on December 17, 2018. This budget is guided by the City's 2017-2020 Strategic Plan that was adopted by the City Council on June 20, 2016 and amended in June 2017. This budget reports on the accomplishments made to date in fulfilling the plan and proposes initiatives for the coming biennium. A copy of the strategic plan is included in this budget document.

The 2019-2020 Adopted Budget is an important part of implementing the Strategic Plan. While the Plan guides the City's priorities, the budget provides the funding necessary for implementation. It also funds important ongoing City programs and services to the community. This budget highlights the financially sound position of the City. General Fund revenues are balanced with ongoing expenditures. The City also set aside a 20% required reserve of \$5.76 million and \$7.5 million for future investment in a Public Works Maintenance and Operations Facility for the City. It also maintains in the unassigned fund balance an amount of over three months of ongoing operating expenditures.

This budget is carefully crafted to address the financial challenges facing the City. The ten-year Sales Tax Annexation Credit that the City receives for annexing the North Highline neighborhood will expire on June 30, 2020. Furthermore, the City's revenues are not keeping pace with the cost of providing services, primarily because the growth in City property taxes is limited to a 1% increase each year. Despite these challenges, the City's revenues are balanced with ongoing expenditures. Staff will continue to implement cost efficiencies to reduce the growth in expenditures in the future.

Revenues and Expenditures

The main challenges for the City in this budget are addressing the structural imbalance and the loss of the Sales Tax Annexation Credit. This credit will expire on June 30, 2020 and reduce the City's revenues by \$470,000 in 2020. The adopted budget allocates 100% of the City's property tax levy to the General Fund to cover the loss of this tax credit. This was recommended in the City's financial policies to address the loss of this revenue.

The loss of the sales tax credit underlines the urgency for the City to address its structural imbalance. A structural imbalance occurs when the City's revenue growth is slower than the growth in ongoing expenditures. City staff is continuing to identify efficiencies and cost reductions to address this structural imbalance. The City's ongoing professional services are reduced by 10%, including using City staff for parks landscape maintenance instead of contracting, and combining the publishing of the Burien Magazine with the Recreation Guide to reduce costs.

The City is also investing in new technology, upgrading key software systems for building permits and document management that will improve both operating efficiency and customer service, as well as key security upgrades to ensure the City is protected against cyber-attacks. This budget also proposes a Permit Technology Fee to improve efficiency and streamline the permitting process once new permitting software is implemented. The City will also complete an Urban Center Plan in 2019

to update and modernize the Comprehensive Plan to encourage growth and revitalization in the City's downtown area.

There are still significant challenges ahead. Personnel and law enforcement costs – 75% of the General Fund budget – continue to increase by an average 4% per year while General Fund Revenues will increase only 1.5% per year on average. Furthermore, the City will lose the remaining portion of the Sales Tax Annexation Credit in 2021 – an estimated \$530,000 in lost revenue. As the needs of our city grow, we must identify new or enhanced revenue sources to address emerging issues and maintain our sound financial health. We will work collaboratively with our community partners to identify those needs in the future, and the best way forward to pay for them.

Staffing Levels

Recognizing the fiscal challenges the City will face, the proposed budget takes a status quo approach to staffing levels. The only major change is to increase Parks landscape maintenance staff to replace the previously contracted service. As recently approved by the City Council, this proposal includes 4.0 FTE full-time maintenance workers, and proposes 2.0 FTE seasonal maintenance workers. The cost for these positions is offset by the cancellation of the City's landscape maintenance contract. An intermittent Accounting Assistant position will be extended in 2019 to continue accommodating the City's increased workload for Business & Occupation Tax collection. Several one-time staffing increases will end in 2018 and offset staffing levels by 2.41 FTE. This will provide a net increase to staffing levels by 3.60 FTE in 2019.

Capital Funding

The budget includes the financing of two key previously unfunded projects. The Lake Burien School Memorial Park Improvements and sidewalk improvements along South 136th Street are now completely funded with a combination of grant and City funding. Furthermore, the City received a federal grant award for the 1st Avenue South Phase III paving project and the City is actively working to obtain additional grants to fully fund the project to begin construction by 2020.

Significant challenges remain for funding capital projects in Burien. The City's financial policies currently allocate 10% of the City's property tax levy (\$785,000 in 2019) to fund capital projects. However, to address the loss of the City's Sales Tax Annexation Credit, that 10% for capital projects will be reallocated to the General Fund in 2020 to finance operating expenditures. The City must address the loss of this funding source for capital and explore other revenue sources in the years ahead to finance capital projects at current levels. In the meantime, City staff will continue to actively pursue grant opportunities to fund capital projects.

I am very thankful to the Finance Department and City staff for producing this budget. City staff worked diligently to provide accurate estimates, cost savings and efficiencies, and establish key priorities to maintain our sound financial health.

Sincerely,

Brian Wilson
City Manager

Adopted June 20, 2016
Amended June, 2017
Updated September, 2018

CITY OF BURIEN

STRATEGIC PLAN 2017-2020

BURIEN COMMUNITY VISION

A vibrant and creative community, where the residents embrace diversity, celebrate arts and culture, promote vitality, and treasure the environment.

BURIEN'S FOCUS FOR THE COMING FOUR YEARS

Through 2020, the City of Burien will prioritize delivering core services and ensuring the community's key infrastructure needs are met. This Strategic Plan identifies how City Council and staff will advance these shared commitments during the 2017/18 and 2019/20 biennia.

This Strategic Plan describes areas of emphasis that will be prioritized based on expressed community desires. Much of the City's work will continue as it always does, with this Plan focusing on particular areas of emphasis for this time period.

GOALS, INITIATIVES, & STRATEGIES

SAFE Community

1. *Enhance public safety through effective policing and an increasing focus on prevention and community engagement.*
 - a. Support community interest to build staffing capacity for both supervision and response.*
 - b. Increase community engagement, including crime prevention strategies.
 - c. Focus on crime reduction through crime analysis and predictive policing models.*
 - d. Pro-active code enforcement
 - e. Police resources/public safety
2. *Steward the City's basic infrastructure, making sure it is safe and maintained to standard.*
 - a. Take care of our streets by investing more resources to maintain current pavement conditions.*
 - b. In high priority areas, help Burien pedestrians by improving existing sidewalk conditions.*
 - c. Further promote safety by increasing our capacity for routine street maintenance.*
 - d. Maintain our parks facilities and equipment to provide a high quality visitor environment.*
 - e. Traffic control systems.
 - f. New sidewalks.

HEALTHY Community

5. *Enhance Parks and Recreation facilities and programs.*
 - a. Through the PROS plan process, evaluate the needs of all community members and develop a plan that may include a new community recreation center and other park and recreation facilities to best meet those needs.*
 - b. Enhance programs for youth and teens, with a focus on City-subsidized programs.*
 - c. Improve efficiency and enhance customer experience by upgrading the parks registration system.*
6. *Provide quality, holistic services for vulnerable populations and at-risk community members.*
 - a. Support vulnerable populations and at-risk community members, and the community-based organizations that serve them, in cooperation with other partners.*
 - b. Support success for all Burien children by further strengthening our partnership with Highline Public Schools.
7. *Protect and improve the quality of Burien's natural environment.*
 - a. Promote Low Impact Development (LID) for new and retrofit development projects.
 - b. Increase recycling participation and reduce litter.
 - c. Seek to reduce noise and air pollution impacts associated with SeaTac Airport in partnership with others.*
8. *Celebrate arts and culture.*
 - a. Increase the City's support for public arts.*
 - b. Enhance the quality and number of community events and celebrations.

DYNAMIC Community

3. Promote a thriving local business community and a positive community spirit.

- a. Retain and strengthen existing Burien businesses through proactive efforts.*
- b. Focus on increasing locally-owned small businesses.
- c. Attract new business investment through communications, outreach, and targeted use of incentives.*
- d. Improve Burien's community image with a refreshed brand and a marketing campaign.*
- e. Establish new ways to better engage diverse communities in civic conversations and activities.*
- f. Implement the Downtown Mobility Study and develop an Urban Center Plan for downtown.
- g. Proactively work to attract lodging and complementary conference and arts facilities.
- h. Foster community development and community leaders, both locally and regionally in South County.
- i. Vision Plan.
- j. Youth leadership academy/council.

4. Optimize customer service and support private investment in Burien.

- a. Ensure fast and reliable permitting for public and private development.*
- b. Improve efficiency and enhance customer experience through innovative and modern permit systems.*
- c. Update and modernize key city codes and policy documents.*

STRONG City Organization

9. Continue to strengthen the City team.

- a. Attract, retain, and develop employees through a competitive compensation and benefit package, employee development, and accountability.*
- b. Increase staff capacity in critical areas to advance community priorities.*
- c. Continue to protect and enhance the City's financial strength.*

10. Upgrade critical information technology systems and address key facility needs.

- a. Upgrade the City's financial management IT system.*
- b. Upgrade the City's Records Management IT system.*
- c. In partnership, develop a strategy for a permanent Public Works maintenance facility to increase efficiencies and accommodate needs.

PLAN DEVELOPMENT & IMPLEMENTATION

How was the Strategic Plan developed?

The strategic planning process was a collaborative effort between the Burien City Council and Leadership Team. Emphasis was placed on responding to community preferences communicated to elected officials and staff and voiced in the City's Community Survey. This input communicated strong community interest in ensuring public safety and investing in basic infrastructure.

How will the Plan be implemented?

The Strategic Plan will be central in guiding Burien's actions and investments in the coming years. Its Goals will be the prism through which decisions are made and items are funded. The Plan will help us:

- Stay focused on what is most important, keeping community priorities in front of elected officials and City staff, partners, and community members.
- Establish aligned efforts across the City organization, guiding Council goal setting and Departmental work plans.
- Prioritize the use of resources, guiding staff development of budget proposals and framing Council's adoption of a final budget.

Progress towards the Plan's Goals will be regularly reviewed by Council and the City's Leadership Team and updates will be shared with the community.

City of Burien Background

Burien is a well-managed and fiscally healthy city that has participated in the prosperity of the regional Puget Sound economy. The City is in a healthy position with:

- a well-established economic base
- a low debt burden
- strong financial management

City of Burien Details

- A 100-year old community incorporated in 1993, encompassing an area of approximately 10 square miles.
- Current population is 51,850 reflecting an 88 percent growth since incorporation.
- Council–manager form of government.
- Administered by a full-time City Manager and a seven-member City Council, with one of its members serving as Mayor. All terms are for a period of four years.
- Located on Puget Sound across from Vashon Island, 12 miles south of Seattle, and served by State Routes 518 and 509.
- Additional information about the City is included in the Appendix.

Biennial Budget Process

The budget process begins every even numbered year with the preparation of a six-year financial forecast. This document is developed prior to the biennial budget so that annual appropriations can be viewed in the context of the city's long-term direction and resource capability. The biennial budget document implements the projects and priorities identified in the six-year financial forecast and capital improvement program. It outlines the manner in which financial resources will be utilized during the budget period. The course the City is taking can be changed through the allocation of resources. The City Council, the City Manager, Department Directors, City staff and Burien residents all participate in the budget process.

The City of Burien's budget process is designed to provide the essential structure for the financial planning, control and evaluation process of government. It presents a forecast of expected resources and the purposeful distribution of those resources. Once adopted, the budget is a formal expression of public policy on the City's objectives and priorities and the provision of resources meet those objectives.

City staff prepares the six-year financial plan and presents it to the Council in June or July of each. City staff then prepare the Preliminary Budget and proposed financial policies, which includes the final estimates of revenues, expenditures, and capital improvement program changes, including all requests from departments for presentation to the Council in early October. Public hearings and Council discussions are held and the final budget is adopted in late November or early December.

The typical calendar for the City of Burien's Budget is as follows:

Budget Process Steps	JUN - JUL	AUG	SEP	OCT	NOV	DEC
1. Finance Department prepares Financial Forecast						
2. Six-year Financial Forecast presented to Council						
3. Final Estimates of Revenues, Expenditures, and Capital Improvement Program Changes						
4. City Manager and Department Directors finalize all requests						
5. Preliminary Budget submitted to Council						
6. Financial Policies presented to Council						
7. Public Hearings and Council Discussions						
8. Council adopts revised Financial Policies						
9. Council adopts final budget						

The adopted budget takes effect on January 1. Throughout the year, expenditures are monitored to ensure that funds are used in an approved manner. A few times during the budget period, the budget may be changed (amended) by Council action in an open public meeting to respond to additional City activities throughout the course of the budget period.

Budget Procedures and Amendment Process

Chapter 35.33 of the Revised Code of Washington (RCW) mandates the City's budget procedures. The budget, as adopted biennially by the City Council, constitutes the legal authority for expenditures. The City's budget is adopted at the fund level and expenditures may not legally exceed appropriations at that level of detail. Appropriation authority for all funds except capital project funds lapse at year-end and are prepared on a modified accrual basis. Appropriations on budgets for capital project funds are on a life-to-date basis, and the appropriations do not lapse at year-end, but continue until completion of the project.

The City Manager is legally authorized to transfer appropriations within a fund. However, as a practical matter, expenditure increases at the department level are presented to the council as budget amendments for adoption by ordinance. The budget can be amended several times during the year.

The accounts of the City are organized based on funds and account groups. The City uses governmental funds. Each governmental fund is accounted for with a separated set of self-balancing accounts that comprise its assets, liabilities, fund balances, revenues and expenditures.

The City's budget and financial statements for governmental funds have been prepared on the modified accrual basis of accounting in conformity with generally accepted accounting principles (GAAP). Under the modified accrual basis, revenues are recorded on the cash basis or when they are susceptible to accrual, meaning they are both measurable (the amount is known) and available (the revenue is collected soon enough to pay current liabilities of the current period). Expenditures are recognized on the full accrual basis of accounting, meaning expenditures are recognized when the fund liability is incurred. The City prepares the budget on a line-item basis, which means each category of expenditure, salaries, benefits, professional services, etc., is itemized in the document, however, the budget is formally adopted at the fund level.

These definitions apply for individual years on the following pages:

2019-2020 Adopted Budget: The 2019-2020 Budget as adopted by the City Council on December 17, 2018.

2019-2024 Forecast: The 2019-2024 Financial Forecast for Operating Funds.

2018 Budget: The 2018 Budget as amended by the City Council in December 2017.

2017 Actual: The 2017 Actual Revenues and Expenditures as reported in the City's 2017 Comprehensive Annual Financial Report (CAFR).

2016 Actual: The 2016 Actual Revenues and Expenditures as reported in the City's 2016 Comprehensive Annual Financial Report (CAFR).

Fund Definitions

The following are the fund types budgeted by the City and other fund grouping definitions:

General Fund

The General Fund supports the general operations of the City government. These include administration, the legislative function, legal services, public safety, planning and community development, enforcement of local codes, parks, recreation, and cultural activities. Taxes are the principal source of revenue for the General Fund: property tax, sales tax, utility tax, gambling tax, and business and occupation tax. Other important sources are shared revenue from other governments, licenses and permits, charges for service, and fines and forfeitures. The General Fund accounts for all City resources except those for which a specific fund has been created.

Special Revenue Funds

Special Revenue funds account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. There are seven Special Revenue funds: Street, Surface Water Management, Public Works Reserve, Equipment Reserve, Art in Public Places, Capital Projects Reserve, and the Transportation Benefit District Fund. The three reserve funds just mentioned account for the City's longer-term accumulation of resources.

Debt Service Fund

This fund accounts for resources necessary to pay the principal and interest on general long-term debt. In 2019 and 2020, the annual operating budget includes transfers from the General Fund, Public Works Reserve Fund, Street Fund and Transportation Benefit District Fund to the Debt Service Fund to pay for the annual debt service requirements. Bonds were issued in late 2006 (\$9,805,000) for Town Square and the Community Center. These bonds were refunded with new bonds issued in 2016 (\$5,320,000). In late 2010 (\$8,615,000) for a street overlay project and in 2011 (\$8,550,000) to refund the remaining 2002 bonds and to complete and close out the 1st Avenue South , Phase 1 project. In 2009 the City joined a coalition of cities to form the South Correctional Entity (SCORE) to build and operate a regional jail facility. Based on the City's 4% ownership interest, the city is responsible for \$3,449,400 of the \$86 million in bonds sold to construct this facility.

Capital Project Funds

These funds are used to account for financial resources to be used in the acquisition of capital facilities including those financed by special assessment. Capital projects are adopted on a multi-year year basis. Currently, the City has three active capital project funds: Parks and General Government, Transportation and Surface Water Management.

Operating Funds

Operating Funds are those funds which are used solely for the general operations of the city. This sub-grouping of funds is comprised of the: General Fund, Street Fund, and the Surface Water Management Fund. The Surface Water Management Fund and the Surface Water Management Capital Improvement Fund are two different funds. The first is for general surface water operations and maintenance and the second is for the construction and acquisition of surface water capital equipment and facilities.

2019-2020 All Funds Revenue and Expenditure Summary

The two charts below show all resources and uses of all City funds. The resources chart shows beginning fund balances, revenues and transfers in. The uses chart shows all expenditures, transfers out and ending fund balances. The General, Special Revenue and Debt Service Funds are adopted on a biennial basis while capital projects may span multiple years. Special Revenue Funds include the Street Fund, Surface Water Management Fund, Equipment Reserve Fund, Public Works Reserve Fund, Art in Public Places Fund, Capital Projects Reserve Fund and Transportation Benefit District Fund. Debt Service Funds include the Debt Service Fund and Local Improvement District Guaranty Fund. Capital Project Funds include the Parks and General Government Capital Improvement Projects Fund, Transportation Capital Improvement Projects Fund and Surface Water Management Capital Improvement Projects Fund.

2019-2020 Revenue Summary – All Funds

**2017-2018 Ending Fund Balance is a forecasted estimate.

Governmental Fund Revenues

Governmental Fund revenues, excluding transfers and other financing sources such as asset sales, are expected to increase by approximately \$1.04 million or 1.3% for the 2019-2020 biennium, compared with forecasted actuals of the prior biennium. The following is an explanation of the changes in revenue levels:

Taxes:

- **Property Tax:** Levy collection were slightly higher in 2017-2018 compared to the prior biennium because of the increase in assessed value for new construction. This increase is partially offset by the transfer of the King County Parks Levy from the General Fund to the Parks and General Government Capital Improvement Program Fund. In the 2019-2020 biennium, the property tax collection rate is estimated to be 99% of the total budgeted Property Tax Levy.
- **Sales Taxes:** Continued economic growth propelled the 18% growth in Sales Taxes compared to the prior biennium. Motor vehicle sales, construction activity, and food services were the primary drivers of sales tax revenues in 2017-2018. While motor vehicle sales has been the primary driver of Sales Tax since the end of the last recession, estimated 2017-2018 returns indicates slowing growth. This assumption is included in the 2019-2020 Sales Tax revenue estimates. Overall, 2019-2020 Sales Taxes are estimated conservatively, largely because construction sales tax is a highly cyclical revenue source that cannot be assumed to steadily increase into the future.
- **Sales Tax – Criminal Justice:** This source of sales tax, distributed by King County based on Burien's share of County population, has steadily increased compared to the prior biennium. Revenue estimates for 2019-2020 are based on sustained population growth, combined with a steadily increasing County-wide sales tax base.
- **Business & Occupation Tax:** The 12% increase in 2017-2018 compared to the prior biennium is due to the increase in the Business & Occupation Tax from 0.05% to 0.10% in 2016. However, continued economic growth further increased revenue collections in 2017. Based on comparing 2018 quarterly collections with 2017, the City estimates that collections are projected to increase modestly in the 2019-2020 biennium.
- **Real Estate Excise Tax (REET):** The increase in REET is due to the sale of several large commercial and residential properties in the 4th Quarter of 2017 and 2018. This includes the sale of four major apartment complexes, two warehouses, and a nursing home. 2019-2020 REET revenue estimates are projected conservatively, estimating revenue collected only from single-family residential properties or small businesses.
- **Utility Taxes:** The decreased collections in Telephone Utility Tax continues to cause an overall decline in utility tax revenues. Telephone Utility Tax is projected to decline \$400,000, or 19%, compared to the prior biennium as the use of landline telephones continues to decrease. This estimated decrease is offset by strong growth in Solid Waste and Natural Gas utility taxes, primarily due to newly-introduced industrial economic activity in the Northeast Redevelopment Area (NERA).
- **Other Taxes:** This category is primarily revenue from the City's Transportation Benefit District Vehicle Fee. The increase in 2017-2018 compared to the prior biennium is because of the fee increase from \$10 to \$20 in March 2017.

Licenses and Permits: This category is primarily comprised of franchise fees for cable and solid waste, building permits, and business licenses. The slight estimated decrease in 2017-2018 is compared to the development of several large commercial and residential construction projects in the prior biennium, most notably development around Town Square Park. These construction projects increased building and related

permit revenues in the 2015-2016 biennium. Estimates for licenses and permits revenues in the 2019-2020 biennium are slightly lower than the 2017-2018 biennium. The decrease in estimated building related permits is offset by the introduction of a 5% technology fee applied to all building related and electrical permits, as well as continued growth in franchise fees for cable and solid waste.

Intergovernmental Revenue: This category contains all grants, shared revenues, and franchise fees paid to the City from other government entities. Revenue in this category is mainly comprised of State shared revenue, such as the City's share of State liquor tax and profits, motor vehicle fuel tax, and marijuana excise tax, as well as franchise fees paid by Seattle City Light. A colder than average winter in 2017, compared with warmer than average winter in 2016, is the cause for the increase observed in Seattle City Light franchise fee revenue compared to the prior biennium. The anticipated rate increases approved by Seattle City Light, starting in 2019, is the primary reason for increasing Intergovernmental Revenues in the 2019-2020 biennium.

The receipt of several new federal grants and State shared revenue also contributed to the estimated \$1 million total increase in Intergovernmental Revenue. The City received a Community Oriented Policing Services (COPS) grant in 2017 to partially pay for new officers on the City's High Visibility Team, as well as a direct receipt of Community Development Block Grants. An increase in local government grants – from King County for improvements to Veterans and Senior Services, and reimbursement from the Highline School District for the City's School Resource Officer, also contributed to the increase in Intergovernmental Revenues in the 2017-2018 biennium.

Charges for Services: Fees for Storm Drainage, Planning Review, and Recreation programs are the main revenue sources in this revenue category. The increase in 2017-2018 compared with the prior biennium is due to a \$526,000 one-time Stormwater Connection Fee at the Northeast Redevelopment Area. Estimates for the 2019-2020 budget anticipate a decrease in demand for planning reviews, offset by the 3.3% increase in Storm Drainage Fees, as determined by City's Financial Policies.

Other Revenues: The estimated \$722,000 increase in the 2017-2018 biennium is due to increased collection of investment income the City receives from investments in the State's Local Government Investment Pool (LGIP). The 30-day LGIP yield at the end of December 2016 was 0.50%, increasing to 2.23% as of the end of October 2018. The 2019-2020 investment income revenue estimates anticipate that interest rates will remain around 2.5% in 2019.

Governmental Fund Expenditures

Governmental Fund expenditures, excluding transfers, are expected to increase by approximately \$10.5 million or 16.5% for the 2019-2020 biennium, compared with forecasted actuals of the prior biennium. The following is an explanation of the changes in expenditure levels:

Salaries and Benefits: Several factors contributed to the 21.7% (\$3.2 million) increase in Salaries and Benefits expenditure in 2017-2018. These factors are include:

- **Cost of Living Adjustments (COLA):** The increase in COLA was higher in the 2017-2018 compared to the prior biennium. The City's COLA in 2015 and 2016 was 2% and 1.1%, respectively, whereas the increase in 2017 and 2018 was 2% and 3%, respectively. The City's COLA is based on the Seattle area Consumer Price Index, which continues to increase. 2019 COLA is a 3.6% increase, and an estimated increase of 3% in 2020.

- **Personnel Benefits:** Approximately 28% of all Salary and Benefits expenditure are for personnel benefits. The main cost drivers are City contributions to medical insurance plans and the Public Employees' Retirement System (PERS). In 2017 and 2018, the cost of medical insurance plans increased by 6% per year. The increase in 2019-2020 will be somewhat lower at around 5% per year. The cost of retirement contributions also increased, as the State's PERS rate increased from 11.18% in 2015 to 12.52% in 2017. The rate in 2019 will be at 12.83%.
- **Staffing Levels:** Increases in staffing levels are the primary cost driver of salary and benefits expenditure in 2017-2018 compared to the prior biennium. Authorized staffing levels in 2017 increased by 6.60 FTE, and a further 6.89 FTE in 2018. Several positions were also reclassified to reflect the increased workload and complexity of tasks undertaken by City staff. The following is a brief explanation of changes by department:
 - **City Manager:** The City's Management Analyst position was eliminated to create a Civil Engineer II position in the Public Works Department for capital project management.
 - **Human Services:** A Human Services Manager position was created in 2018 to reflect increased community needs for outreach and coordination to provide human services to residents.
 - **Administrative Services:** This newly re-organized department was created in 2018, with the Administrative Services Manager was reclassified to become an Administrative Services Director. A Human Resources Technician position was created to become the primary position to accommodate Human Resources responsibilities. A Public Records Officer was created to address the backlog of public records requests and provide document management and process improvements for City operations. The Systems and GIS Administrator was reclassified to an Information Systems Manager, and the part-time Geographic Information Systems (GIS) Intern was reclassified to a full-time GIS Analyst. The Computer Support Technician was reclassified to an Information Systems Analyst with a focus on project management, while a limited-term Information Systems Help Desk Technician position was created to solve maintenance issues as several information systems projects are being implemented.
 - **Finance:** The Contract Management Analyst was increased from 0.7 FTE to 0.8 FTE, and a limited-term Accounting Assistant position was added to manage Business & Occupation Tax processing that was brought in-house in 2018. This position is extended to the end of 2019.
 - **Community Development:** A Senior Planner position was added in 2017 with a focus on long-range planning projects.
 - **Parks, Recreation, and Cultural Services:** A net increase of 2.24 FTE in intermittent recreation staff was added in 2017 to accommodate increased programming for after school programs. A Customer Service Representative III position was created, along with an increase of 0.58 FTE for intermittent Customer Service Representative I staff, to improve customer service at the Community Center and address safety concerns. In the 2019-2020 biennium, a Parks & Facilities Maintenance Lead position, two additional Parks & Facilities Maintenance Workers, and a new Parks Facilities Operations Worker will be created as City staff will take over landscape maintenance operations from a third-party contractor. Finally, the Parks Operations Manager Position was reclassified as a Parks Project Manager, and a Recreation Leader was reclassified to become a Teen Programmer. A temporary increase of 0.57 FTE for Department Assistants was granted in 2018 to assist implementation of the Department's new registration software.
 - **Public Works:** A new Civil Engineer II position was created from the eliminated Management Analyst position, with responsibility for capital project management. A Civil Engineer – Journey Level position was reclassified to a Civil Engineer II for Surface Water Management projects. A

temporary increase for the Assistant Public Works Director (0.57 FTE) was provided in 2017 and 2018 to allow for the outgoing assistant director to train the incoming Assistant Director.

Supplies: The increased use of supplies in 2017-2018 compared to the prior biennium is partially due to the increased use of sand and salt to clear City roads during an unusually cold winter. The City also replaced more small equipment through the Equipment Reserve Fund compared to the prior biennium for scheduled replacement of desktop computers and monitors. The increase in 2019-2020 relates to additional supplies needed for landscape maintenance operations that will be taken on by City staff.

Professional Services: The estimated 15%, or \$1 million, increase in 2017-2018 compared to the prior biennium largely due to third-party support for essential City services, namely legal consulting for pending litigation and on-call engineering for soil erosion and landslide monitoring. One-time expenses related to the relocation of the Public Works shop and the organization of the environmental science fair StormFest, also contributed to the increase in professional services expenditures. In the 2019-2020 biennium, \$305,000 of the \$1.1 million increase are for one-time costs for the development of the Urban Center Plan, and project management for the replacement of the City's permit and document management systems. Ongoing changes include additional prosecutor and legal defense services related to the City's participation in King County's Community Court, additional on-call engineering services related to landslide and soil erosion repair, and various information technology upgrades, including improved cyber security.

The \$1.1 million increase in the 2019-2020 budget is compared to the under expenditure of 2017-2018 revised professional services budget, estimated at 77% of total budget. Approximately \$1 million of the professional services budget is for contingency and on-call services. Professional Services expenditures will vary based to number and complexity of issues the City may need to address on an emergent basis.

Other Services and Charges: Increased liability insurance premiums and increased utility usage and rates contributed to the increase in other services and charges in 2017-2018 compared to the prior biennium. Utilities will continue to drive the increase in other services and charges in the 2019-2020 biennium, mainly due to planned rate increases by Seattle City Light. Insurance premiums will also rise in 2019 as the City increased its total worker hours in the prior biennium.

Intergovernmental Services: Of the \$2.16 million (7.5%) increase in 2017-2018 compared to the prior biennium, \$1.64 million is for the City's contract with the King County Sheriff's Office for police services. The lower than average increase in the City's contract costs in 2017-2018 is due to including only a baseline cost of living adjustment for the City's police officers while the King County Sheriff's Office and the police guild agree a long-term contract. The City estimates the police contract will increase by \$3.2 million in the 2019-2020 biennium based on historical experience and anticipated rise in COLA upon the agreement of a long-term labor contract. The 2019-2020 biennium will also see a \$570,000 increase for Jail Services due to the City's increased utilization primarily for DUI offenses.

Capital Outlay: The main capital outlay expenditures in the 2017-2018 biennium are the replacement of the City's dump and pickup trucks, implementation of a new financial management system and upgrade of the City's telephone system. Planned capital outlay for the 2019-2020 biennium includes the implementation of new permitting and document management software, a technology upgrade for the City Council Chamber, and the replacement of an asphalt roller and flatbed truck.

Debt Service: The City refunded its \$6 million 2006 Limited Tax General Obligation (LTGO) bond, largely paid for by proceeds of bond refunding, and paid off its \$3.6 million line of credit used to purchase property in the Northeast Redevelopment Area (NERA) with proceeds from the sale of that property. The increase in the 2019-2020 budget is for amounts budgeted for share of debt service for the South Correctional Entity (SCORE) as a requirement of the City's debt covenant. This debt service is paid for through increased contract revenue provided by the facility.

Fund Balances

Fund balances are the net worth of a fund measured by total assets minus liabilities. They provide a measure of the amount available in a fund to budget or spend in the future. By Council policy, the City maintains a minimum balance of 20% of ongoing revenues in the General Fund, and 5% of ongoing revenues in the Street and Surface Water Management funds. Furthermore, \$7.5 million of the fund balance in the General Fund is committed for a capital partnership reserve, and \$1 million is for a capital equipment reserve to equip new City facilities.

General Fund: The primary reason for growth in fund balance is that revenues continue to exceed expenditures. In the 2015-2016 biennium, revenues exceeded expenditures by \$6.8 million. The growth in fund balance for the 2017-2018 biennium is expected to be \$5.3 million. This \$1.5 million decrease is largely due to sales tax growth moderating after years of rapid growth in construction and motor vehicle sales, and expenditures increasing faster than revenues. Expenditures increased by 13.6% in 2017-2018 compared to the prior biennium, whereas revenues increased by 9.6%. Fund balance in 2019-2020 is projected to decrease by about \$800,000 due to \$870,000 in one-time capital outlay expenditures to implement new permitting and document management systems, and upgrade technology in the City Council Chambers.

Street Fund: The estimated increase in fund balance in the 2017-2018 biennium is largely due to an \$820,000 sale of the right-of-way in several subdivisions of the Northeast Redevelopment Area to the Port of Seattle. The fund balance is projected to decrease by \$850,000 due to \$2.47 million being transferred to transportation capital projects, debt service, equipment replacement, and IT services.

Surface Water Management Fund: The fund balance in 2019-2020 is projected to decrease by \$670,000 due to \$2.62 million being transferred to surface water management capital projects, equipment replacement, and IT services.

2019 - 2020 General Fund Revenues \$58.58 million (excluding transfers in)

The City derives 77% of its total General Fund revenue through taxes. Of this amount are the two biggest sources of revenue for the General Fund: sales taxes (36%) and property taxes (26%). The remaining 23% of General Fund revenue are derived through a variety of sources. 9% are from Intergovernmental Revenue – various grants and payments for services from federal, state, and other local governments. 6% are for license and permit fees, primarily from cable franchises, building and electrical permits, and business licenses. 4% are for charges for City services related to Community Development plan reviews, Recreation programs, and District Court fees collected by the City. A further discussion of major tax revenues are provided on the following pages. A further 4% are for collections of miscellaneous revenue, mainly from investment income the City receives from the State Investment pool.

Major Revenue Sources

Sales Taxes

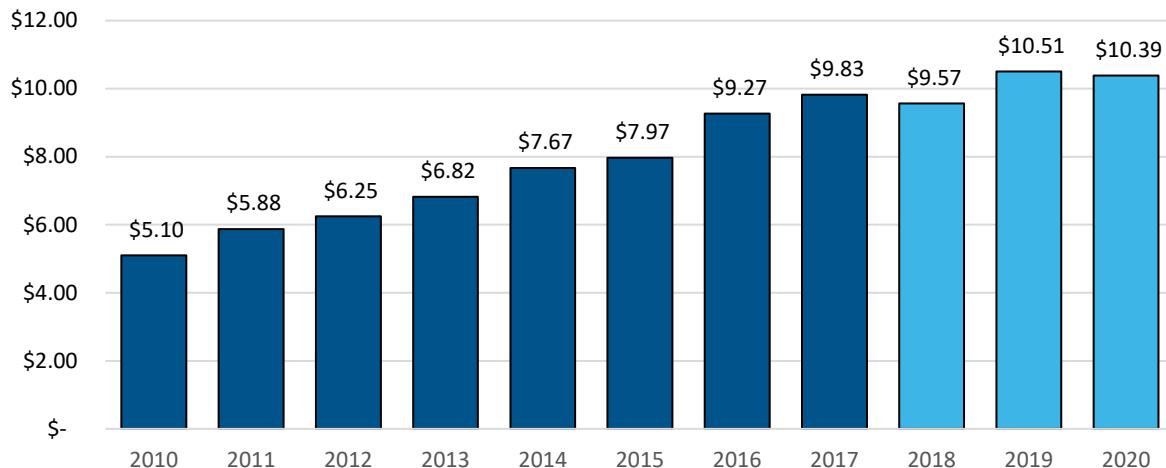

The City receives 36% of all General Fund revenues from three sources of sales tax. The main source of sales tax, \$7.92 million in 2019 and \$8.24 million in 2020, is the City sales tax on retail sales, currently set at 0.85%. The City also receives sales tax collected by King County for Criminal Justice, estimated at \$1.60 million in 2019 and \$1.64 million in 2020. The third source is an additional 0.1% sales tax credit provided by the State for ten years to cities that have recently annexed new areas. This accounts for \$0.98 million in 2019 and \$0.51 million in 2020. The reduced amount in 2020 is due to the City's sales tax credit expiring on June 30, 2020.

Sales Tax Distribution by Government Entity

Government Entity	Tax Rate
Washington State	6.50%
Sound Transit	1.40%
King County Metro Transit	0.90%
City of Burien	0.85%
King County	0.15%
King County Mental Health	0.10%
King County Criminal Justice	0.10%
Total Sales Tax:	10.00%

An additional 0.3% is added to automobile sales to fund statewide transportation projects. The total sales tax rate on automobile sales is 10.3%

Sales Tax by Year (in Millions)

*Dark blue boxes represent actual collections. Light blue boxes represent budget estimates.

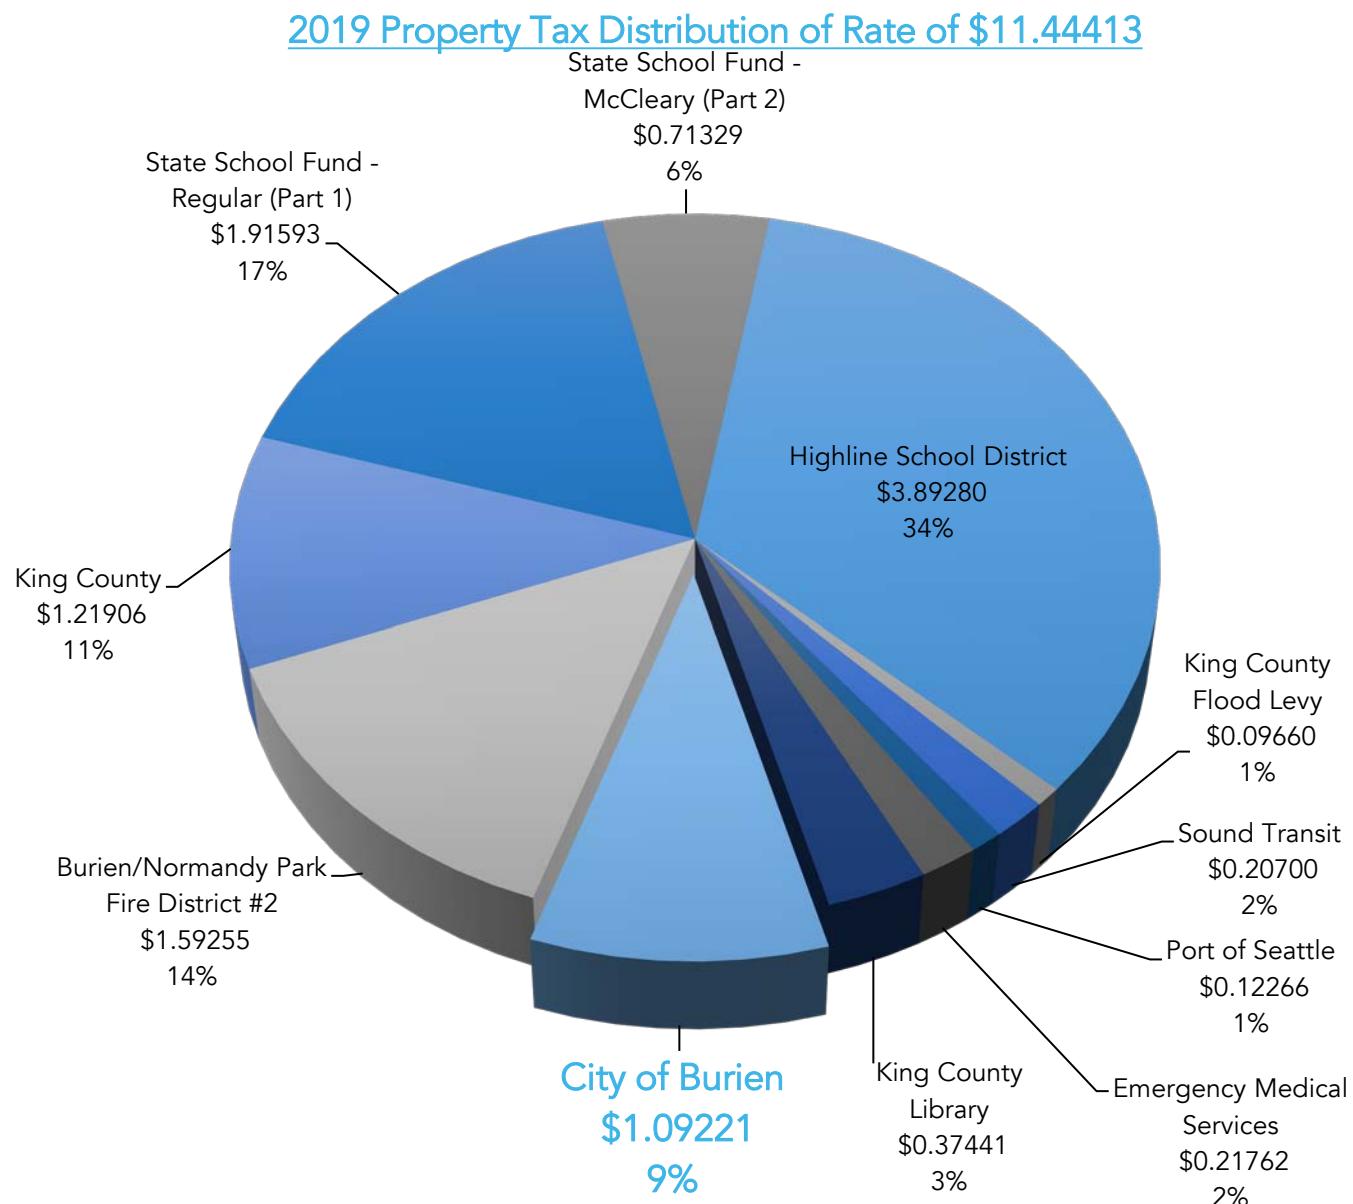

The chart above illustrates the change in sales tax since 2010, along with budgeted sales tax revenues for 2019 and 2020. The growth in 2011 is due to the receipt of the Sales Tax Annexation Credit, provided by Washington State for the increased population as a result of annexing North Burien. The steady increase from 2011 to 2015 is due to the strong and continued rebound in economic activity after the Great Recession, primarily driven by auto sales. The large increase in 2016 and 2017 is due to a substantial increase in construction activity for several large residential and commercial developments in the city. However, this is considered a "one-time" revenue because of the short-term nature of the economic activity, and are not included in 2019 and 2020 estimates.

The forecasted revenues in 2019 and 2020 have increased compared to the 2018 Revised Budget due to the continued expansion of the retail sector. However, this is offset by an anticipated slowdown in the growth of auto sales. The decrease in 2020 is due to the loss of the City's sales tax annexation credit on June 30, 2020.

Property Tax

The City receives 26% of all General Fund revenues from property tax. The City estimates \$7.07 million will be collected in 2019 and \$7.98 million in 2020. This estimate includes a 1% increase in both years, and anticipates 99% of the property tax levy will be collected in the year it is due. The significant increase in 2020 is due to collecting 100% of the property tax levy in the General Fund, compared to 90% in the General Fund and 10% deposited in the Capital Projects Reserve in 2019.

Even with the 1% increase in the City's property tax levy, the City's property tax rate decreased from \$1.235 for every \$1,000 of assessed value to \$1.092. A homeowner with a median home value in Burien of \$337,000 will pay an additional \$5.89 per year to the City. This will pay for the City's general operations such as police and parks.

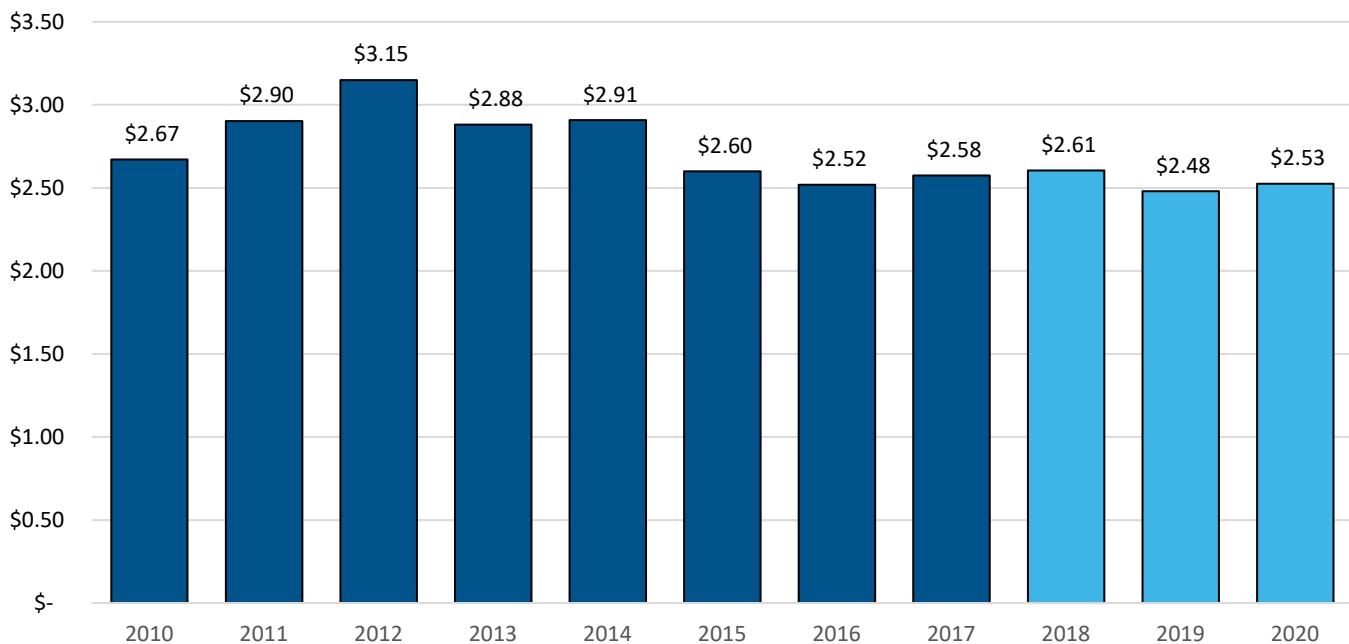

The City of Burien receives a relatively small portion of a property owner's total bill (9%). By comparison, the Highline School District and the State School Fund receives 60% of a property owner' total bill, Fire District receives 12%, and King County receives 10%.

Utility Taxes

The City receives 8% of all General Fund revenues from utility taxes. A 6% tax on electricity, natural gas, cable and telephone utilities are levied, and the City estimates that \$2.48 million will be collected in 2019 and \$2.53 million in 2020. This is a 4% decrease from the 2018 Revised Budget estimate. The decreased estimate in the 2019-2020 biennium is due to the continued decrease in collections of telephone utility tax because an increasing number of consumers are switching from land-line to cellular phone services.

By utility type, 36% of utility taxes come from telephones, 33% from cable, 23% from natural gas, and 8% from electricity.

**Utility Taxes by Year
(in Millions)**

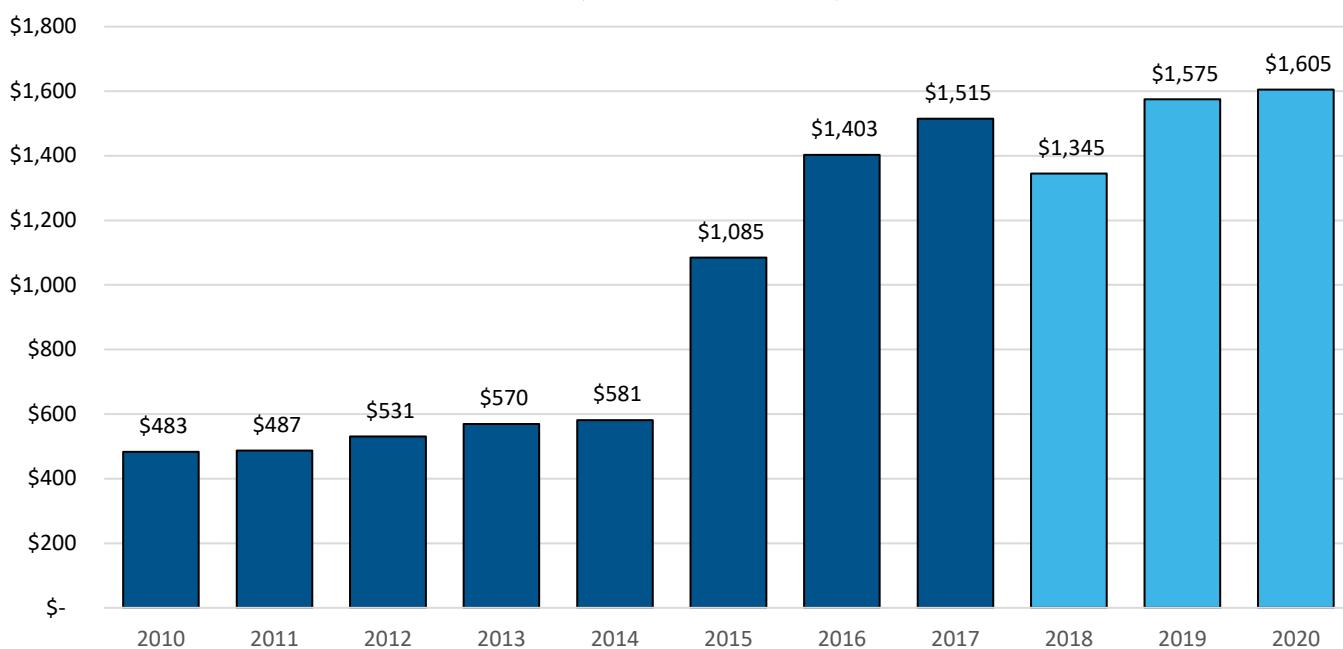

*Dark blue boxes represent actual collections. Light blue boxes represent budget estimates.

Business & Occupation Taxes

The City receives 5% of all General Fund revenue from Business & Occupation taxes. The City estimates that \$1.57 million will be collected in 2019 and \$1.61 will be collected in 2020. Originally adopted in 2002 as a 0.025% tax on gross receipts over \$100,000, the City Council increased the tax in 2015 from 0.05% to 0.1%, but also increased the tax threshold to \$200,000. The further increase in 2016 and 2017 is due to growth in construction activity, as well as strong growth in the retail and warehouse distribution sectors.

2019 - 2020 General Fund Expenditures by Function \$58.85 million (excluding transfers)

Analysis of Department Expenditure

City Manager's Office

The decrease in expenditure mainly reflects a department reorganization, transferring the Communications Division to the Administrative Services Department. The City Manager's Office is now primarily responsible for addressing emerging issues in the city, and lobbying services to advance the City's legislative agenda and secure grant funding at the state and federal levels.

Administrative Services

The increase in 2020 is related to several enhancement of the City's information systems network, including one-time costs related to document management system and council chamber technology upgrades, and providing for software to increase citizen engagement and upgrade office technology. The transfer of the Communications Division from the City Manager's Office is also reflected.

Finance & Citywide Services

The decrease in 2019 expenditure is due to the reorganization of Human Services into its own division, as well as a decrease in capital expenditure upon the implementation of the City's new financial system. The increase in 2020 is due to the City's jail contract. The City's increased utilization of the South Correctional Entity (SCORE) means the City's contribution to SCORE's operating costs will increase by \$395,000.

Legal

The City is expanding its prosecutor and public defender services to contribute to the establishment of a Community Court in Burien. The City's insurance premiums also increased by \$95,000 compared to the 2018 Revised Budget, primarily based on increased total worker hours and the City's higher than average liability risk.

Police

The City has experienced an average increase of 3-4% for its contract with the King County Sheriff's Office. The \$612,000 increase accommodates that average increase, plus the addition of KCSO shared services such as data management system upgrades, as well as anti-bias and de-escalation training for all officers.

Public Works

The decrease in expenditures is primarily due to the City's utility payments for fire hydrants being transferred to Citywide Services.

Community Development

The City is anticipating the replacement of its permit software system in 2019, and the decrease in 2020 reflects the anticipated completion of that project.

Parks, Recreation, and Cultural Services

The department will see a significant reorganization of its budget as the landscape maintenance of City parks will now be performed by City staff, resulting in an increase in personnel costs and a corresponding decrease in professional contract services. The adopted budget also provides for wage increases for intermittent recreation staff, to at least \$15 per hour.

City Council

Responsible Manager: Brian Wilson, City Manager

Goals and Activities

The City Council, as the legislative branch of City government, sets City policies and provides overall program and project direction to achieve its residents' vision for a friendly, well-planned, thriving community with quality public services and an open, responsive government. The City Council budget consists of those expenditures incurred by the City's elected officials as they conduct the business of the Council, including the City's membership in key regional, state, and national organizations.

2017-2018 Accomplishments

Goal 2: Steward the City's basic infrastructure, making sure it is safe and maintained to standard.

- ✓ Enhanced infrastructure funding by using the Transportation Benefit District Vehicle License Fee as the primary revenue source for the City's Pavement Management Program to maintain City streets.

Goal 3: Promote a thriving local business community and positive community spirit.

- ✓ Adopted a new City brand.
- ✓ Provided direction for implementing the Downtown Mobility Study, including the installation of new City signage, and parking exemptions for existing downtown businesses until November 2020.

Goal 7: Protect and improve the quality of Burien's natural environment.

- ✓ The City is partnering with the Cities of Des Moines, Federal Way, Normandy Park, SeaTac and Tukwila to fund a study evaluating the current impacts of the airport on the surrounding area.
- ✓ The City is partnering with the Cities of Des Moines, Normandy Park, and SeaTac to analyze and respond to the environmental impacts related to the SeaTac Sustainable Airport Master Plan.

Other Accomplishments

- ✓ Improved the allocation of the City's Human Services funding by establishing the funding level on a per capita basis.
- ✓ Reflected the strategic plan goals and accomplishments in the City's budget.

2019-2020 Initiatives

Goal 3: Promote a thriving local business community and positive community spirit.

- Review and adopt the Urban Center Plan, to update and modernize the City code and Comprehensive Plan to promote growth in the City's downtown area.
- Increase marketing efforts to attract economic development into the City, including implementing hotel development and tourism promotion.

Goal 4: Optimize customer service and support private investment in Burien.

- Review and adopt the Shoreline Master Program Update, as required by the Washington State Department of Ecology.
- Review and adopt amendments to the Comprehensive Plan housing element, goals, and policies.

Goal 6: Provide quality, holistic services for vulnerable populations and at-risk community members.

- Implement the Framework for Strengthening Families to review current human services resources available to families, identify unmet needs, and adopt a collaborative approach with human services organizations to fund those needs.

2019-2020 Initiatives (cont.)

Goal 9: Continue to strengthen the City team.

- Continue to explore potential new revenue options and operating efficiencies to address the structural imbalance.

Goal 10: Upgrade critical information technology systems and address key facility needs.

- Continue planning for a future Public Works Maintenance and Operations Facility, focusing on partnership opportunities.

- **Association of Washington Cities:** Founded in 1933, the Association of Washington Cities (AWC) is a non-profit, non-partisan organization that represents Washington's cities and towns before the state legislature, the state executive branch, and regulatory agencies.
- **King County Cities Climate Collaboration:** This partnership between King County, the Port of Seattle and fourteen cities seeks to coordinate and enhance the effectiveness of local government climate and sustainability action.
- **National League of Cities:** The National League of Cities represents 49 state municipal leagues and approximately 19,000 member cities, towns, and villages of all sizes throughout the country.
- **Puget Sound Clean Air Agency:** This special-purpose, regional government agency was chartered by state law in 1967 with a jurisdiction that covers King, Kitsap, Pierce, and Snohomish counties. The annual fee pays for agency regulatory activities and reflects the estimated level of effort for the agency to ensure compliance with air quality regulations.
- **Puget Sound Regional Council:** The Puget Sound Regional Council is an association of cities, towns, counties, ports, and state agencies that serves as a forum for developing policies and making decisions about regional growth and transportation issues in the four-county central Puget Sound region.
- **Sound Cities Association:** The Sound Cities Association is an association of 37 suburban cities in King County committed to regional problem solving, which requires city officials to balance the interests of their individual cities with the larger interests of the region.

Registration and Training: Funds registration costs for Councilmembers at conferences sponsored by the National League of Cities in Washington, D.C. and by the Association of Washington Cities at various locations in Washington State.

Miscellaneous: Provides funding for annual community awards and volunteer recognition.

City Manager's Office

City Manager's Office

Responsible Manager: Brian Wilson, City Manager

Goals and Activities

The City Manager serves as the chief executive officer of the City. The manager directs and supervises all activities of the City to implement policy as set by the City Council and to carry out City Council initiatives and objectives. The manager monitors and manages the City budget and evaluates the current and long-term financial condition of the City. The manager executes the City Council's direction in priorities, programs, service levels, costs, and evaluation standards for City and contract services. The City Manager represents City Council policy in intergovernmental relations, contract negotiations, and support for state and federal legislation. The City Manager's Office is comprised of three divisions, City Manager, Economic Development, and Human Services.

2017-2018 Accomplishments

Goal 3: Promote a thriving local business community and positive community spirit.

- ✓ Initiated a hotel request for proposal process.
- ✓ Successfully implemented the City's new website.
- ✓ Implemented economic development initiatives in the NERA business development, wayfinding program implementation, 153rd St. business and property owner's survey, and pursuing funding for affordable housing on transit oriented development property.
- ✓ Revised the admissions tax ordinance, which included outreach to impacted businesses.
- ✓ Conducted the 2018 Biennial Community Assessment Survey to measure residents' satisfaction with City functions and services across a broad range of areas as shown in the community survey.

Goal 6: Provide quality, holistic services for vulnerable populations and at-risk community members.

- ✓ Hired a full-time Human Services Manager and established a seven member Human Services Commission.
- ✓ CDBG joint entitlement funding/became a Joint Agreement City with King County for the 2018-20 grant period.

Goal 7: Protect and improve the quality of Burien's natural environment.

- ✓ Partnered with the Quiet Skies Airport Coalition, Burien Airport Committee, and the Sea-Tac Airport Stakeholders Advisory Round Table (StART), and the Highline Forum to identify and resolve impacts from the operation of the airport.
- ✓ Filed petition against the Federal Aviation Administration (FAA) challenging the turbo prop flights diverted over Burien.
- ✓ Supported StormFest grant funded program by staff with over 1,300 youth from the Highline School District in attendance.

Goal 9: Continue to strengthen the City team.

- ✓ Initiated a reorganization of staff workspaces in City Hall to enhance operational efficiency and effectiveness.
- ✓ Increased public records compliance (document management retention and destruction schedules).
- ✓ Conducted an inclusive Police Chief selection process, resulting in the selection of Police Chief Theodore Boe.

2019-2020 Initiatives

Goal 1: Enhance public safety through effective policing and an increasing focus on prevention and community engagement.

- o Identify and implement collaborative solutions to reduce gun and youth violence in the city, including gang prevention and intervention policies.

Goal 3: Promote a thriving local business community and positive community spirit.

- o Explore options to support the growth of affordable housing in Burien, and to assist housing cost burdened households.
- o Engage area businesses to attract new economic development into Burien, including hotel and tourism development, and provide advisory and entrepreneurship services to strengthen local businesses.

Goal 6: Provide quality, holistic services for vulnerable populations and at-risk community members.

- o Explore new solutions to assist offenders who struggle with behavioral issues or extreme poverty to seek human services, with the goal of reducing incarceration and recidivism rates.

Goal 9: Continue to strengthen the City team.

- o Work collaboratively with Councilmembers and community partners to identify top priorities for City services, and determine the best option to fund emerging needs, to maintain the sound financial health of the City.

Budget Highlights – City Manager's Office

Salaries and Benefits: Salaries are based on actual costs for existing positions and include a 3.6% cost of living adjustment (COLA) in 2019 and a 3.0% COLA placeholder in 2020.

Professional Services: Provides funding for the City Manager to address emerging issues that require the City's immediate attention.

Federal Lobbying Services: Lobbying to support the City's economic strategy, including seeking federal grants for capital projects.

State Lobbying Services: Lobbying to support the City's legislative agenda in the Washington State Legislature.

Burien Magazine: Funding for the City's magazine has been transferred to the Administrative Services Department.

Postage: Funding for the postage for the City's magazine, which has been transferred to the Administrative Services Department.

Performance Measures – City Manager's Office

Community Assessment Survey	2010	2012	2014	2016	2018
% of community survey respondents who are satisfied with the job city government is doing for the community	76%	61%	51%	63%	60%
% of community survey respondents who rated Burien as a place to live as 'excellent' or 'good'	78%	71%	65%	78%	64%

Economic Development Division

Responsible Manager: Andrea Snyder, Economic Development Manager

Goals and Activities

The mission of the Economic Development Division is to ensure Burien is the best place to work, live, learn, shop, and visit. The important factors in determining whether people or businesses locate in Burien are the City's ability to provide employment opportunities, healthy businesses providing goods and services, the quality of public services and public safety, the area's natural beauty, good schools, strong neighborhoods, and efficient traffic circulation.

2017-2018 Accomplishments

Goal 3: Promote a thriving local business community and positive community spirit.

- ✓ The City substantially increased expenditures for marketing to promote Burien businesses to attract visitors, airport travelers, and hotel patrons to Burien.
- ✓ The City proactively visited and provided outreach to over 350 Burien businesses.
- ✓ Outreach by City staff resulted in attracting PCC Community Markets, McBride Construction, and Zoo Break Productions to do business in Burien.
- ✓ The City achieved Opportunity Zone status for three census tracts within the City. These zones grant significant relief from Capital Gains taxes, which has attracted substantial interest from businesses.
- ✓ The City implemented a new brand program and new logo, which includes key messaging for community outreach.
- ✓ The City Council adopted Ordinance 680, to provide parking exemptions for existing downtown businesses from November 2020.
- ✓ The City's Wayfinding Plan was completed in 2017, with sign installation completed in August 2018.
- ✓ The City is preparing a request for proposals for hotel development on City-owned land. A hotel developer is anticipated to be selected by December 2018.

2019-2020 Initiatives

Goal 3: Promote a thriving local business community and positive community spirit.

- Continue emphasis on growing our local economy and assisting small business through proactive outreach to businesses, partnering with agencies to provide technical assistance, and providing customized solutions to business concerns.
- Increase marketing efforts to attract visitors as well as new businesses and investment.
- Increase place making efforts in commercial districts that support business traffic.
- Execute a Disposition and Development Agreement for the development of a hotel.
- Engage the public for visioning and revising city zoning in key commercial areas including the Ambaum corridor and Boulevard Park.

Goal 7: Protect and improve the quality of Burien's natural environment

- Provide business outreach and technical assistance for more environmentally sustainable practices.
- Continue to provide trash and litter pick up services throughout the downtown.

Budget Highlights – Economic Development Division

Salaries and Benefits: Salaries are based on actual costs for existing positions and include a 3.6% cost of living adjustment (COLA) in 2019 and a 3.0% COLA placeholder in 2020.

Professional Services: Funding for Council-approved economic development priorities. In the 2019-2020 biennium, \$75,000 will fund the completion of the City's Urban Center Plan, and \$100,000 in 2019 and \$50,000 in 2020 will fund visioning and re-zoning studies for the Boulevard Park neighborhood and the Ambaum Boulevard corridor. An additional \$88,000 in 2019 and \$95,000 in 2020 will support entrepreneurship programs to support small businesses in Burien.

Discover Burien: Discover Burien provides business recruitment and development services, and manages various community events.

Discover Burien – Clean and Safe: This funds Discover Burien's employment of special needs individuals to provide general sweeping and clean-up services to maintain streets in the Downtown Business District.

Burien Marketing Strategy: The Burien Marketing Strategy funds promotional efforts to encourage economic development in Burien. \$115,000 in 2019 and \$88,000 in 2020 will be used to develop the creation and placements of advertisements, engagement with area businesses and media outlets, and for trade show sponsorships. \$50,000 in 2019 and \$60,000 in 2020 will be used to implement the City's brand on signage and kiosks throughout Burien.

Small Business Development Center: Funds the City's membership to the organization, which provides financial and business advisory services to start-up and business expansion clients in Burien.

Memberships and Dues: Includes memberships in the International Economic Development Council, Seattle King County Economic Development Corporation, and the Urban Land Institute.

Human Services Division

Responsible Manager: Colleen Brandt-Schluter, Human Services Manager

Goals and Activities

The Human Services Division develops, plans, implements, and administers the City of Burien's human services activities. The Division will typically focus on three key roles:

- As a planner to assess and anticipate needs, and develop appropriate policy and program responses based on those needs,
- As a facilitator to convene and engage others in community problem-solving to develop and improve services, and
- As a funding provider to disburse federal Community Development Block Grants and City funding to support a network of services to respond to community needs.

2017-2018 Accomplishments

Goal 3: Promote a thriving local business community and positive community spirit.

- ✓ Assisted with community engagement efforts throughout Burien, including community meetings for police chief selection, and two community resource fairs.

Goal 6: Provide quality, holistic services for vulnerable populations and at-risk community members.

- ✓ Created the Human Services Manager position to develop and administer human services activities in Burien.
- ✓ Created the Human Services Commission to review and allocate the City's appropriation for human services organizations to help Burien residents.
- ✓ Developed a rating tool for the Human Services Commission, to more accurately assess community needs when distributing the City's Human Services funds.
- ✓ Established a Navigation Team to coordinate outreach and services for unsheltered residents.

2019-2020 Initiatives

Goal 3: Promote a thriving local business community and positive community spirit.

- Implement Community Cafes to receive feedback and inform the Framework for Strengthening Families.
- Build partnerships with the Highline School District and other community organizations to establish resource fairs and expand access to human services for youth and unsheltered residents.

Goal 6: Provide quality, holistic services for vulnerable populations and at-risk community members.

- Implement programs to assist offenders who struggle with behavioral conditions or extreme poverty to seek human services, with the goal of reducing incarceration and recidivism rates.
- Contract with grant writing services to enhance opportunities for expanded and grant-funded human services projects.
- Implement the Framework for Strengthening Families to review current human services resources available to families, complete a gap analysis to address unmet needs, and create a holistic approach that addresses Burien specific needs.
- Create and propose alternative solutions and attract new funding sources to expand human services for Burien Residents.

Budget Highlights – Human Services Division

Salaries and Benefits: Salaries are based on actual costs for existing positions and include a 3.6% cost of living adjustment (COLA) in 2019 and a 3.0% COLA placeholder in 2020.

Professional Services: Includes funding for Community Cafes for community outreach, grant writing services to enhance the amount of grants for expanded human services programs, and a south King County housing supply assessment to provide solutions to reduce the number of housing cost burdened households. A further \$18,000 is allocated to tenants of Fox Cove Apartments for relocation assistance.

Human Services: \$345,000 is the City's appropriation of \$6.50 per capita to fund to the Human Services Commission, which provides funding to not for profit organizations providing human services for Burien residents. \$45,000 is a Community Development Block Grant to support the New Futures family support program at the Alturas Apartments, provided by Southwest Youth and Family Services.

Administrative Services Department

City Clerk Division

Responsible Director: Cathy Schrock, Administrative Services Director

Goals and Activities

The Administrative Services Department leads, plans, organizes, and controls the City's administrative functions including Human Resources, Information Systems, Communications, City Clerk, Public Records, and Front Desk operation. The City Clerk/Public Records function supports the City's goals and objectives by providing services in the areas of customer service, records management, governance support, and legal compliance. The staff in this division work closely with residents and business owners, city staff, and elected officials.

2017-2018 Accomplishments

Goal 9: Continue to strengthen the City team.

- ✓ Provided records management training to all City department, to include City Council members.
- ✓ Provided a strategic approach to efficient records retention and retrieval processes, through analysis of current records and strategic planning with departments on best practices.
- ✓ Completed destruction of all paper files retained in City departments that had reached the retention limit.
- ✓ Provided support for the selection and implementation of the iCompass software which has proven to streamline the Council agenda packet process.

Goal 10: Upgrade critical information technology systems and address key facility needs.

- ✓ Provided support for the selection and implementation of the City's animal licensing software and pet licensing systems.

2019-2020 Initiatives

Goal 10: Upgrade critical information technology systems and address key facility needs.

- Lead the implementation of a new document management system to streamline document storage, retrieval, and destruction.
- Provide support in the implementation of the City's Business License and Business & Occupation Tax system.

Division Total	\$ 360,800	\$ 157,635	5.00	\$ 374,500	\$ 164,040	5.00

Budget Highlights – City Clerk Division

Salaries and Benefits: Salaries are based on actual costs for existing positions and include a 3.6% cost of living adjustment (COLA) in 2019 and a 3.0% COLA placeholder in 2020.

Professional Services: Funds the retention and disposition of the City's public records.

Advertising: Used to post public notices.

Software Licensing Fees: Annual maintenance fee for iCompass, the City's agenda management software for City Council meetings.

Code Supplement: Costs related to posting updates to the City's online municipal code.

Postage: Funds the bi-annual refill of the City's postage meter.

Operating Rents and Leases: Funds the lease of the City's postage meter.

Voter Registration Costs: This is the City's share of King County election and voter registration costs. The budget for 2019 and 2020 aligns with increased costs experienced in 2017.

Machinery and Equipment: Provides funding for the initial implementation of new document management software, with additional onboarding costs as the City's records are migrated to the new software.

Communications Division

Responsible Manager: Emily Inlow-Hood, Communications Officer

Goals and Activities

The Administrative Services Department leads, plans, organizes and controls the City's administrative functions including Human Resources, Information Systems, Communications, City Clerk, Public Records, and Front Desk operation. The Communications Division encourages and supports public participation in local government through two-way communication with residents, businesses, community organizations, and other jurisdictions. The division is responsible for the City's communications plan, including public information, public relations, media relations, internal and external communications, marketing, education, and outreach. The division ensures the City's public information and public relations programs are implemented in a manner consistent with City goals and policies.

2017-2018 Accomplishments

Goal 3: Promote a thriving local business community and positive community spirit.

- ✓ Launched a redesigned City website.
- ✓ Established a pilot Community Connectors program to reach traditionally underrepresented communities through public engagement efforts.
- ✓ Implemented the City's new brand.
- ✓ Supported public engagement in several key City initiatives, such as the selection of the City Manager, Police Chief, and community outreach on the budget.
- ✓ Implemented marketing and educational campaigns, including fireworks ban, photo contests, and Coffee with a Cop.
- ✓ Published eight issues of the City magazine.

Goal 9: Continue to strengthen the City team.

- ✓ Developed internal policy and guideline documents including staff communication guidelines, the City of Burien style guide, and website training materials for City employees.

2019-2020 Initiatives

Goal 1: Enhance public safety through effective policing and an increasing focus on prevention and community engagement.

- Update the City's emergency communications plan.

Goal 3: Promote a thriving local business community and positive community spirit.

- Develop and implement a strategic communications plan, including a social media strategy and public engagement toolkit for City staff.
- Support department public engagement and communications, including assisting with outreach for the Burien Marketing Strategy.
- Implement the 2020 Community Survey using lessons learned from the 2018 survey.
- Refresh the content and design of the City website.
- Include the Recreation Guide into the distribution of Burien Magazine.
- Develop citywide guidelines and process for language access services.

Communications Division

Budget Highlights – Communications Division

Salaries and Benefits: Salaries are based on actual costs for existing positions and include a 3.6% cost of living adjustment (COLA) in 2019 and a 3.0% COLA placeholder in 2020.

Professional Services: Primarily consists of support services for outreach, graphic design, and photography. Also includes the Community Survey scheduled for 2020.

Burien Magazine: Costs related to the production of the quarterly Burien Magazine and Recreation Guide. The decrease reflects the additional advertising revenue used to offset the cost of printing and distribution. This advertising revenue is anticipated to completely cover these costs by the end of 2019, with the City paying the remaining translation costs.

Postage: Pays for the postage for the Burien Magazine and Recreation Guide.

Human Resources Division

Responsible Director: Cathy Schrock, Administrative Services Director

Goals and Activities

The Administrative Services Department leads, plans, organizes and controls the City's administrative functions including Human Resources, Information Systems, Communications, City Clerk, Public Records, and Front Desk operation. The Human Resources Division includes developing, implementing, evaluating, and administering the City's personnel policies, programs, services, and systems including staff development and wellness programs.

2017-2018 Accomplishments

Goal 9: Continue to strengthen the City team.

- ✓ Implemented new performance review process.
- ✓ Conducted a benefit review to assess current level of benefits offered by the City.
- ✓ Assisted employees' transition off a medical plan that was ended as of January 1, 2018.
- ✓ Sustained and enhanced the City's Wellness Program.

2019-2020 Initiatives

Goal 9: Continue to strengthen the City team.

- Develop an organization development training program.
- Provide a variety of supervisory training programs.

Information Systems Division

Responsible Manager: Fernando Llamas, Information Systems Manager

Goals and Activities

The Administrative Services Department leads, plans, organizes and controls the City's administrative functions including Human Resources, Information Systems, Communications, City Clerk, Public Records, and Front Desk operation. The Information Systems Division innovates, secures, maintains, and supports the City's on-premise and cloud technologies. This includes the City's enterprise business systems, website, networks, hardware, software, and integrated components. The Division also provides a help desk to City staff, maintains the City's Intranet, and administers, develops, and maintains the Geographic Information System (GIS).

2017-2018 Accomplishments

Goal 5: Enhance Parks and Recreation facilities and programs.

- ✓ Participated and supported the Parks department launch of their new registration system.

Goal 10: Upgrade critical information technology systems and address key facility needs.

- ✓ Provided critical implementation support for the upgrade of the City's new financial and pet licensing systems.
- ✓ Launched the new City website.
- ✓ Upgraded City telephone system at City Hall and the Burien Community Center.

2019-2020 Initiatives

Goal 4: Optimize customer service and support private investment in Burien.

- Participate and provide support in the upgrade of the City's permitting and land management system.

Goal 10: Upgrade critical information technology systems and address key facility needs.

- Participate and provide support in the implementation of the City's records management system and City's Business License and Business & Occupation Tax system.
- Upgrade and replace the City Council meeting room technology that includes the voting and audio/video systems.
- Replace core backbone technology systems related to business productivity (Microsoft Office and email), backup, storage, network security, and directory services.

Information Systems Division

Budget Highlights – Information Systems Division

The 2017-2018 mid-biennium budget amendments created a limited-term Information Systems Help Desk Technician, increasing the Division's capacity to address day-to-day information systems issues. This position will be active through 2020. The mid-biennium amendments also reclassified the Information Services Technician to an Information Systems Analyst, primarily responsible for project management and addressing complex information systems issues.

Salaries and Benefits: Salaries are based on actual costs for existing positions and include a 3.6% cost of living adjustment (COLA) in 2019 and a 3.0% COLA placeholder in 2020.

Professional Services: Includes funding for maintenance of the City's new telephone system, and to address emergency repairs and troubleshooting.

Website: Annual maintenance costs for the City's website.

Online Video Streaming: Provides online broadcasts of City Council and Planning Commission meetings, in addition to other informational material.

Channel 21 Video Production: Contract video production services to broadcast City Council, Planning Commission, and other community meetings on the City's government access Channel 21.

Software Licensing Fees: Maintenance and licensing costs for software used citywide. Major software licenses include the City's GIS database, digital archiving software, document management software, desktop software, and permit software. The increased costs in 2020 reflect upgrades of current software licenses to improve security, and new software to expand accessibility of government services to residents.

Telephone/Internet: Provides funding for the City's internet services.

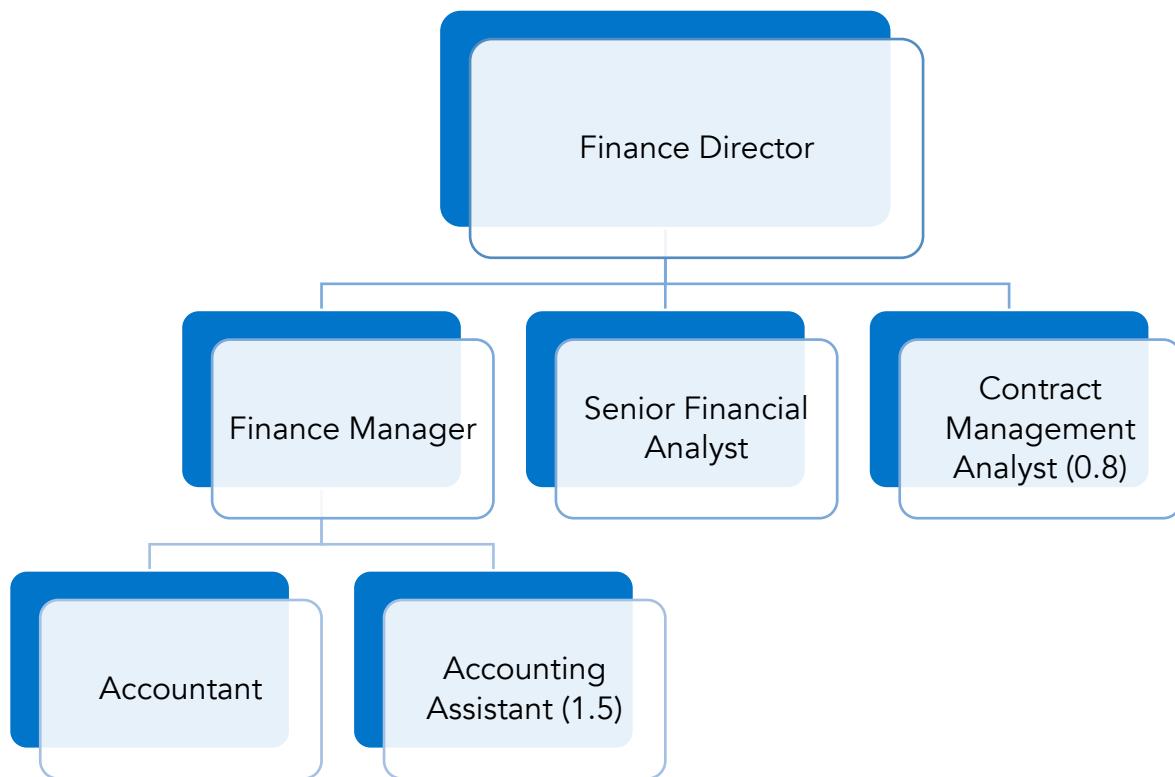

Operating Rents and Leases: Funds the lease of the City Hall copiers.

Machinery and Equipment: Provides funding in 2020 for upgrades of equipment used in the City Council chambers.

Finance Department & Citywide Services

Finance Department & Citywide Services

Responsible Director: Eric Christensen, Finance Director

Goals and Activities

The Finance Department provides financial management and contract management in support of the City's goals. Financial management includes fiscal planning, budget preparation, financial forecasting, financial statement preparation, accounting, investment management, tax collection management, fixed asset accounting, payroll, accounts payable, and purchasing coordination. Contract management provides central guidance for the preparation of contract documents and the management of contracts and grants, including contracted municipal court, jail, and animal control services.

The Finance Department has received an unmodified audit opinion for the last eighteen years in addition to achieving the Certificate of Excellence in Financial Reporting awarded by the Government Finance Officers Association (GFOA). In 2017, the department received the GFOA award for Distinguished Budget presentation for the thirteenth time. The City's Bond Rating was increased to Aa3 in 2016, reflecting the City's good financial condition.

2017-2018 Accomplishments

Goal 10: Upgrade critical information technology systems and address key facility needs.

- ✓ Implemented a new financial management system starting January 1, 2018.

Other Accomplishments:

- ✓ Provided digital access to employees to view paychecks and other personal information.
- ✓ Implemented electronic timecards to improve entry and review in the payroll process.
- ✓ Transitioned from bank credit card program to purchasing card program to simplify purchasing for staff with enhanced security options.

2019-2020 Initiatives

Goal 4: Optimize customer service and support private investment in Burien.

- Provide more opportunities for customers to make payments online.

Goal 9: Continue to strengthen the City team.

- Assist the Administrative Services Department with the transition to a new business license system, as mandated by the Washington State Legislature.
- Develop an Equipment Replacement schedule and determine annual funding requirements.
- Continue to improve monthly, quarterly, and year-end financial processes and reports.
- Continue to explore potential new revenue sources and implement operating efficiencies to address the structural imbalance.

Goal 10: Upgrade critical information technology systems and address key facility needs.

- Implement new Business & Occupation tax software in conjunction with the new business license system.
- Implement the use of Automated Clearing House (ACH) or electronic payments to vendors and for employee reimbursements.

Budget Highlights – Finance Department & Citywide Services

A temporary intermittent Accounting Assistant position is extended through the end of 2019 to accommodate increased workload in processing Business & Occupation taxes.

Salaries and Benefits: Salaries are based on actual costs for existing positions and include a 3.6% cost of living adjustment (COLA) in 2019 and a 3.0% COLA placeholder in 2020.

Professional Services: Provides funding for annual financial and accountability audits provided by the Washington State Auditor's Office, financial consulting to address emerging issues, and for secure cash handling services.

Animal Control Services: Provides funding for the City's animal control services contract, with services provided by the Burien Community Animal Resources and Educational Society (CARES).

Software Licensing Fees: Annual maintenance fees for the City's financial management system. The increase in the 2019-2020 budget reflects the City's new financial management system implemented in 2018.

Banking Services and Credit Card Fees: Includes all costs associated with City's banking services, and credit card fees on all credit card payments made to the City, except for recreation programs. The increases in the 2019-2020 budget reflects anticipated increase in the volume of credit card payments made to the City.

Utilities: Funds utility payments made to Seattle Public Utilities for the operation of the City's fire hydrants.

Substance Abuse Treatment: The City provides 2% of its share of liquor taxes and profits to King County to fund alcohol and chemical dependency programs for Burien residents.

Jail Contract: Jail services are provided by the South Correctional Entity (SCORE), in which the City has a 4% ownership of the facility. The City also contracts with the City of Renton for electronic home detention services. The increase in 2020 reflects an increased share of the total inmate population as a result of increased law enforcement.

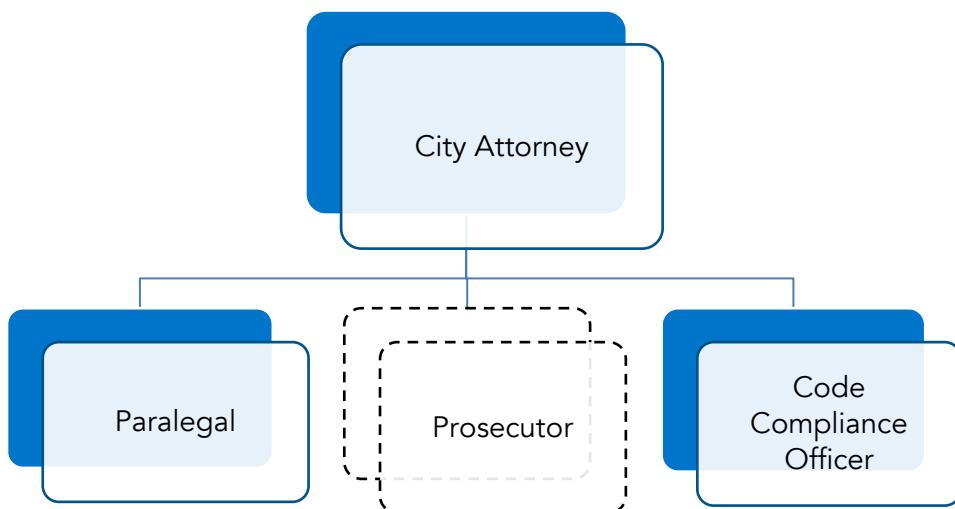

District Court: The City contracts with King County District Court to provide municipal court services.

Legal Department

Legal Department

Responsible Director: Lisa Marshall, City Attorney

Goals and Activities

The Legal Department provides legal services to City officials and employees in support of the City's goals. These services include representing the City in federal, state, and other proceedings; defending the Council, Mayor, and City department actions; prosecuting misdemeanors and code violations; managing the victim advocacy program; reviewing ordinances, contracts, and other documents; and managing risks and claims. Prosecution services are provided by contract. The City Attorney also supervises the City's Code Compliance Officer and serves as the risk manager.

2017-2018 Accomplishments

Goal 1: Enhance public safety through effective policing and an increasing focus on prevention and community engagement.

- ✓ Filed eight nuisance abatement cases in King County Superior Court; obtained Orders of Abatement in four cases; all four property owners brought property into compliance upon service of Orders. City entered two properties with Orders and accomplished cleanup, leaving only two remaining.

Goal 2: Steward the City's basic infrastructure, making sure it is safe and maintained to standard.

- ✓ Drafted an Interlocal Agreement and supporting documents for execution by the Port of Seattle and the City for the SE 144th Street Roadway Improvements in the North East Redevelopment Area (NERA).

Goal 7: Protect and improve the quality of Burien's natural environment.

- ✓ Assisted with review and approval of the Limited Multi-Family Tax Exemption contracts for Merrill Gardens and the Apartments at Town Square.
- ✓ Advised the Parks and Public Works Departments regarding risk reduction strategies at Eagle Landing Park.
- ✓ Filed Petition against the FAA in the Ninth Circuit Court of Appeals to stop 250 degree heading of Q400s over Burien.
- ✓ Assisted in drafting and review of Interlocal Agreement among Burien, Des Moines, Normandy Park, and SeaTac for the joint review of the Port's SAMP EIS process.

Goal 9: Continuing to strengthen the City team.

- ✓ Assisted in procurement of agenda preparation software.

2019-2020 Initiatives

Goal 1: Enhance public safety through effective policing and an increasing focus on prevention and community engagement.

- Obtain code compliance from chronic nuisance properties pursuant to BMC 9.120.
- Improve efficiency and effectiveness of nuisance abatement and code compliance services, with emphasis on obtaining compliance through filing of cases in King County Superior Court;

Goal 2: Steward the City's basic infrastructure, making sure it is safe and maintained to standard.

- Assist with drafting and negotiating franchise agreements with utilities having facilities in City rights of way, including possible emphasis on mutually acceptable utility tax provisions.

Goal 4: Optimize customer service and support private investment in Burien.

- Provide legal support for sign code amendments and wireless code amendments.

2019-2020 Initiatives (cont.)

Goal 6: Provide quality, holistic services for vulnerable populations and at-risk community members.

- Assist the Human Services Manager, Prosecutor, and Public Defender in the implementation programs assisting offenders who struggle with behavioral conditions or extreme poverty to reduce incarceration and recidivism rates.
- Participate in the implementation of a Community Court to gather numerous human services providers in a single venue to address users' needs.

Goal 7: Protect and improve the quality of Burien's natural environment.

- Obtain satisfactory resolution of the City's Petition against the FAA filed in the Ninth Circuit Court of Appeals.

Budget Highlights - Legal Department

Salaries and Benefits: Salaries are based on actual costs for existing positions and include a 3.6% cost of living adjustment (COLA) in 2019 and a 3.0% COLA placeholder in 2020.

Professional Services: Provides funding for hearing examiner services and recording fees.

Overflow Legal Services: Provides additional funding for legal consulting for matters not related to pending litigation, including negotiation of franchises and additional legal research.

Litigation-Consulting Services: The City contracts for consulting services regarding potential litigation and other pending matters, including code enforcement.

Domestic Violence Advocate: This provides support to victims of domestic violence during court proceedings.

Jury and Witness Fees: The City pays for all witness fees as required by the City's contract with King County for municipal court services.

Criminal Prosecution Services: Funds the City's contract for prosecution services. The increase in funding reflects additional hours related to the City's participation in the Community Court program.

Nuisance and Abatement Costs: Abatement funds for code compliance are typically used for the abatement of nuisance conditions on private property that may include graffiti removal, towing of vehicles, trash and debris removal, and emergency securing of open and accessible hazardous structures/property.

Public Defender Screening: This service determines whether a defendant is eligible for an appointed public defender.

Public Defender Investigations: The City provides funding to its public defenders to cover the cost of experts and investigators during the course of defending their clients.

Public Defender Services: This funds the City's contract for public defender services with District Court. The increase in funding reflects additional hours related to the City's participation in the Community Court program.

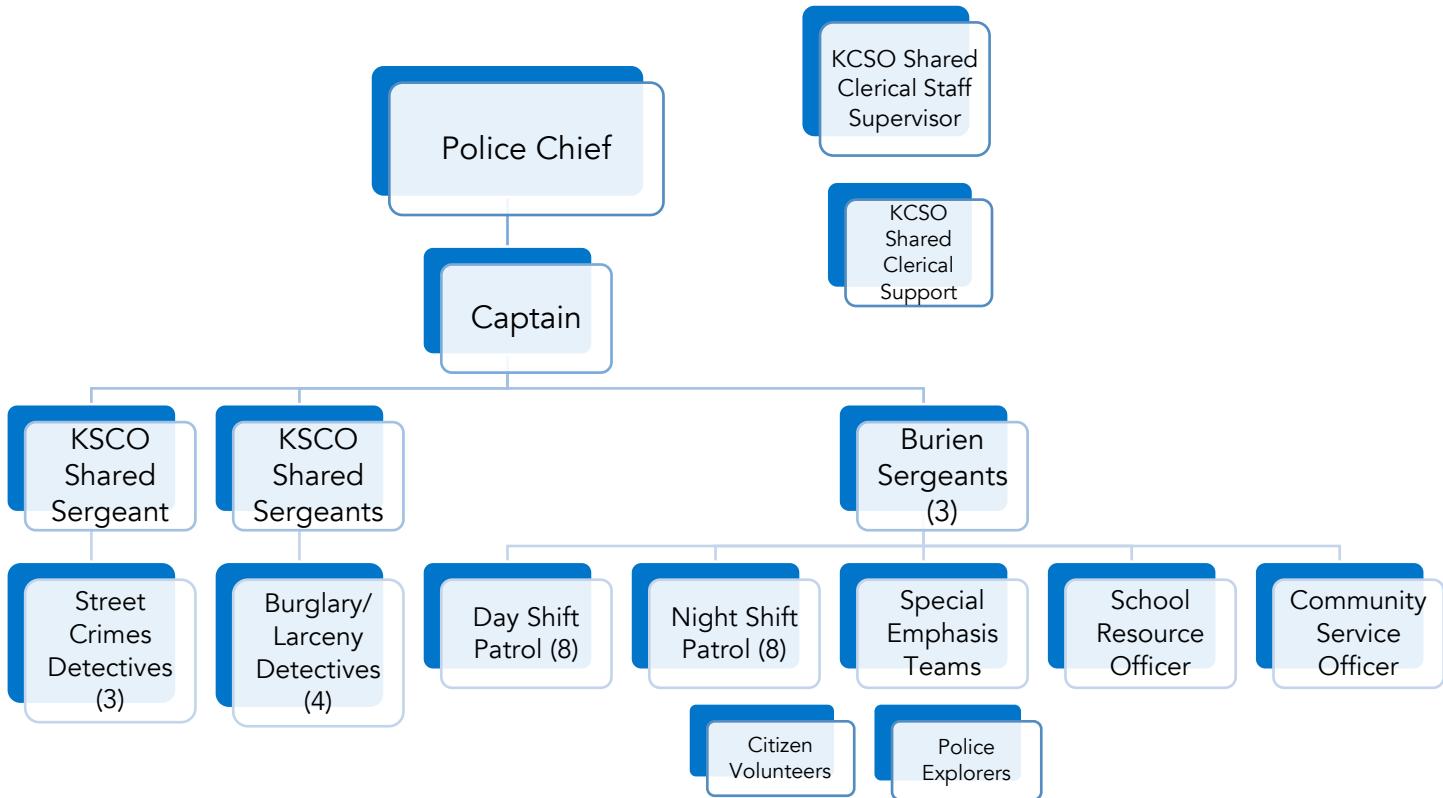

Insurance: The City's annual insurance premium, paid to the Washington Cities Insurance Authority. The increase in premiums are due to an increase of total worker hours and the City's higher than average five-year liability risk.

Police Department

Police Department

Responsible Director: Theodore Boe, Police Chief

Goals and Activities

The Police Department is responsible for providing a number of services to help realize Burien's vision for a safe, quality community. The City contracts with the King County Sheriff's Office for its own dedicated and shared personnel. Services include Patrol, Criminal Investigations, Neighborhood Drug Investigations, Gang Investigations, a School Resource Officer and a Community Service Officer. County-wide support services include air support, asset forfeiture, bomb disposal, canine, communications center (911), hostage negotiation, Major Crimes Investigations, Major Accident Response and Reconstruction and the TAC-30 (SWAT) unit. Countywide non-chargeable services include AFIS (Automated Fingerprint Identification System), civil warrants, courthouse security, criminal warrants, dignitary protection, search and rescue, and sexual predator tracking.

2017-2018 Accomplishments

Goal 1: Enhance public safety through effective policing and an increasing focus on prevention and community engagement.

- ✓ Increased positive communications through social media, including officer of the month and award recognition at city council meetings.
- ✓ Increased use of bicycle officers in the downtown core and parks. These officers are focused on both positive community engagement and addressing criminal behaviors.
- ✓ Creation of our "Nav Team," providing collaboration between police, human services, parks, and service providers to address chronic offenders with options other than criminal enforcement.
- ✓ Provided dedicated officer presence at community events, festivals, fairs, and farmers markets.
- ✓ Participation in coffee with a cop events.
- ✓ Coordinated both adult community police academy and new teen police academy program in partnership with SeaTac Police and King County Sheriff's Office.
- ✓ Increased participation in local schools, including coordination with Burien PaRCS Department and school staff on programming.
- ✓ Coordination with King County Prosecuting Attorney's Office to provide accurate information when using emphasis patrols to target known violent offenders.
- ✓ All officers attended Crisis Intervention Training and received an additional 24 hours of de-escalation training.
- ✓ Implemented less lethal shotguns into patrol operations, providing an additional tool in engaging those in crisis.
- ✓ Patrol and detectives went through interactive simulator training, focused on engaging people in crisis and de-escalation.
- ✓ Purchase of additional equipment to increase efficiency on traffic investigations (Sector) and effectiveness at impaired driving identification (Portable Breath Test- PBT).

2019-2020 Initiatives

Goal 1: Enhance public safety through effective policing and an increasing focus on prevention and community engagement.

- Utilize data to increase directed and proactive response to criminal behaviors.
- Reduce impaired driving behaviors through both enforcement and collaboration with private businesses to encourage responsible drinking behaviors.
- Engage our employees in crime prevention and community programming.

Goal 3: Promote a thriving local business community and positive community spirit.

- Develop and implement a Police Department community engagement plan, including engaging our community in the design process.
- Increase positive contacts between community members and police including all community groups.

Goal 6: Provide quality, holistic services for vulnerable populations and at-risk community members.

- Implement programs to address underlying criminal behaviors and reduce recidivism.

Goal 9: Continuing to strengthen the City team.

- Recognize the high quality work of our employees internally and externally.
- Expand employee awareness and knowledge of implicit bias and cultural competency.
- Develop career develop plans for each of our employees. These plans will be used to identify and support employee specific training.

Budget Highlights - Police Department

Small Tools and Minor Equipment: The equipment purchased is used for investigative purposes and is primarily funded with Justice Assistance Grants (JAG).

Explorer Program: The Police Explorer Program engages in community outreach and teaches teens about law enforcement through volunteer service and training. The increase in the program's funding is to provide more supplies as a result of increased enrollment.

Registration – Training/Workshop: Provides additional training for police officers that is supported by either a Justice Assistance Grant (JAG) or drug seizure funds.

Investigative Funds: Drug seizure funds finance support for covert investigations, including payments to confidential informants.

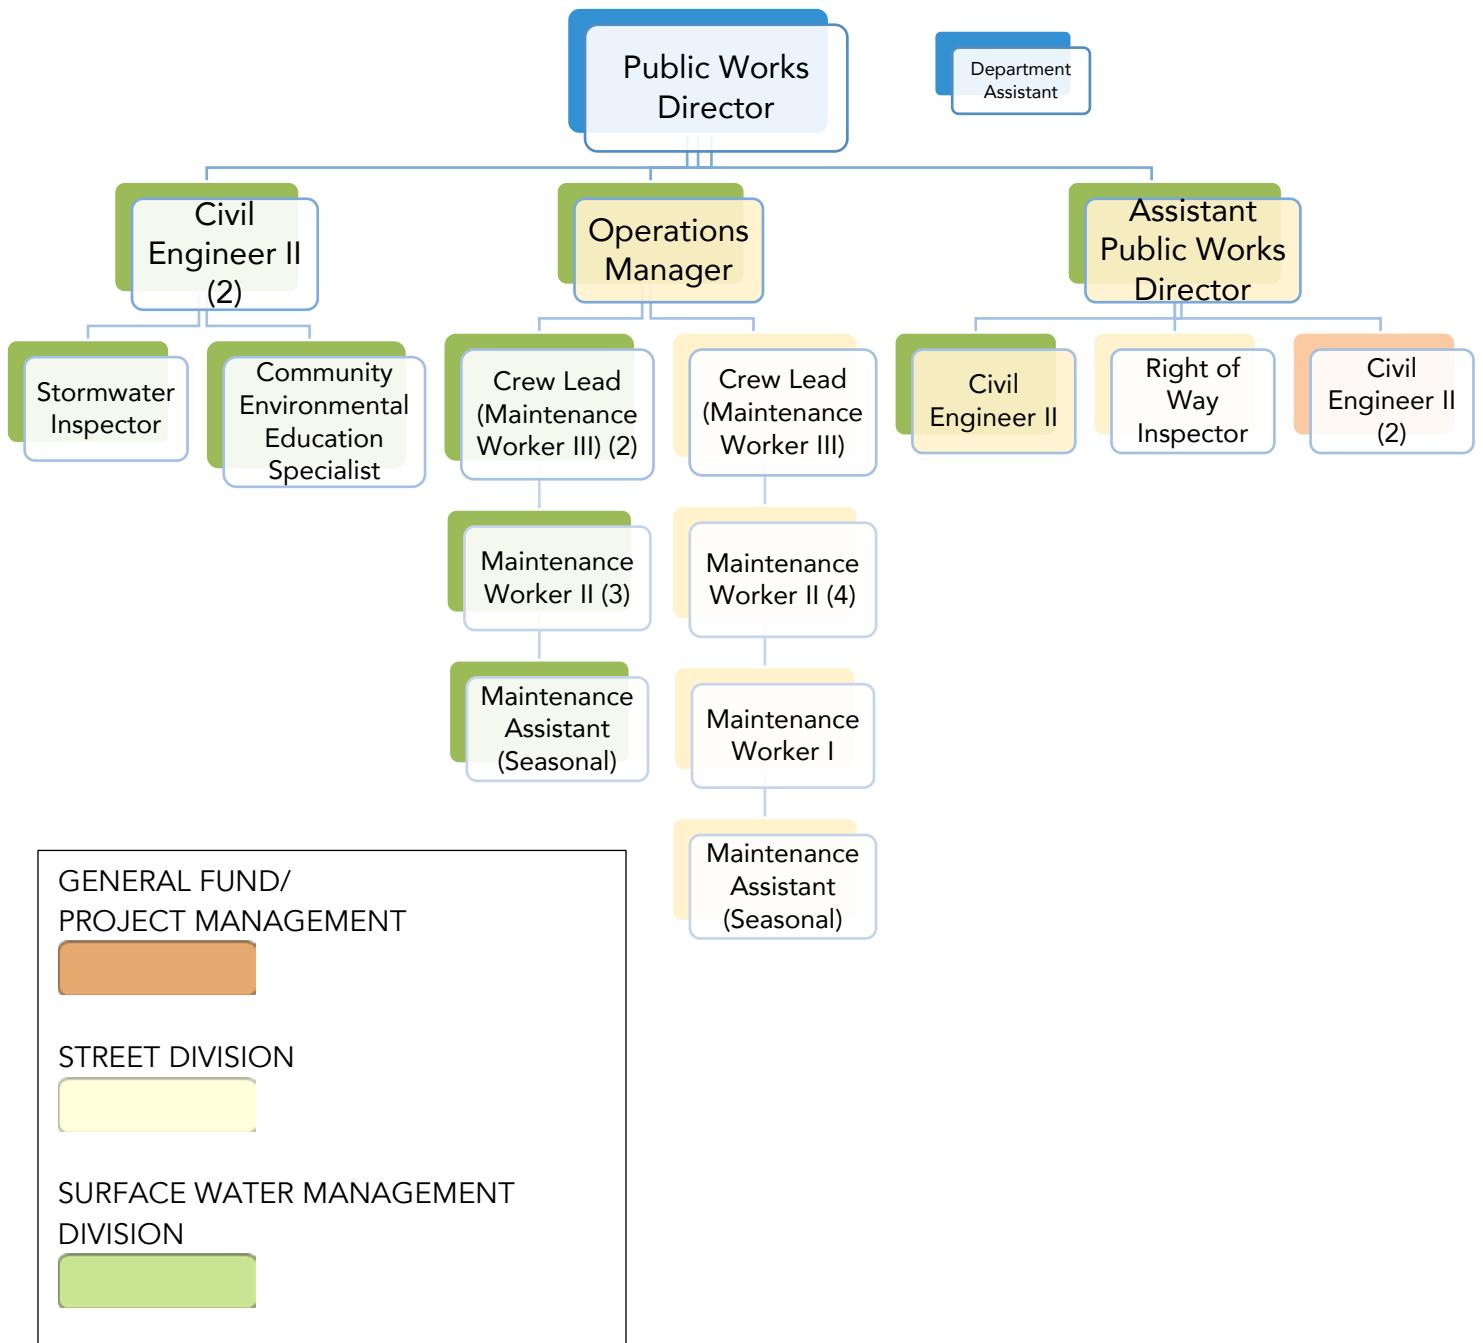

Police Contract – King County: The City contracts with the King County Sheriff's Office to provide law enforcement services for the city. In 2019, the City will see a higher than average increase due to the addition of shared services, including data management system upgrades, and anti-bias and de-escalation training for all officers.

Machinery and Equipment: Purchases of equipment over \$5,000 is primarily financed through Justice Assistance Grants.

Performance Measures - Police Department

	2013	2014	2015	2016	2017
Police response time to critical emergencies (in minutes)	3.41	3.48	3.60	3.85	3.87
Police response time for Priority 1 calls (in minutes)	11.05	7.72	7.05	7.39	7.73
Dispatched calls for service	16,976	18,521	19,600	21,634	20,648
Burien's Total Crime Index (crimes per 1,000 population)	60	56	55	57	46

Public Works Department

Public Works Department

Responsible Director: Maiya Andrews, Public Works Director

Goals and Activities

The Public Works Department is divided into two divisions. The Engineering Division includes capital improvement project planning and construction, environmental engineering and drainage system management. The Operations and Maintenance Division is responsible for maintenance and operation of City streets, drainage systems, facilities, and fleet services. Development engineering and the maintenance and operation of City Hall is funded in the General Fund.

2017-2018 Accomplishments

Goal 2: Steward the City's basic infrastructure, making sure it is safe and maintained to standard.

- ✓ Completed the re-construction of the City Hall Spray Park, in cooperation with the Parks, Recreation and Cultural Services (PaRCS) Department.
- ✓ Represented Burien during the construction of King County's Lake to Sound Trail Segment B.

Goal 10: Upgrade critical information technology systems and address key facility needs.

- ✓ Replaced several key vehicles and equipment to improve maintenance efficiency and timeliness.
- ✓ Held several meetings with two potential partners for a shared Public Works maintenance facility. The City has reserved funds for the project, and is continuing to accumulate additional funds for the project.

Other Accomplishments:

- ✓ Worked with Metro to develop preliminary plans for the RapidRide H-Line Project to provide premium bus service to Burien citizens. Applied for a Regional Mobility grant to enhance the project improvements.

2019-2020 Initiatives

Goal 2: Steward the City's basic infrastructure, making sure it is safe and maintained to standard.

- Participate and provide input to WSDOT to complete the SR 518 Corridor Planning Study.
- Work with transit agencies to design the 405 Bus Rapid Transit and Metro RapidRide H-Line Projects.
- Represent the City during development of the SR 509 portion of the Puget Sound Gateway Project.
- Represent the City during design development of the Lake to Sound Trail Segment C.

Goal 10: Upgrade critical information technology system and address key facility needs.

- Continue planning for a future Public Works Maintenance and Operations Facility, focusing on partnership opportunities.

Community Development Department

Building Division

Responsible Director: Chip Davis, Community Development Director

Goals and Activities

The Building Division supports the goal of providing essential public safety, health, and welfare through responsible administration of the adopted building, fire, mechanical, plumbing, electrical, and state-amended construction-related codes. Projects are reviewed for code compliance via the plan review process, permit issuance, and extensive inspection process. In addition, the division coordinates the plan review and inspection process with the fire districts, water districts, sewer districts, state agencies, and other City departments. The Building Division also provides contract services to the City of Normandy Park.

2017-2018 Accomplishments

Goal 4: Optimize customer service and support private investment in Burien.

- ✓ Completed study of current permit processing system to improve review procedures and streamline development permit reviews in anticipation of replacing permit processing software.
- ✓ Updated applications, checklists, and supporting materials to reflect adoption of the 2015 Construction Codes.
- ✓ Adopted and implemented the 2017 National Electrical Code, including updating applications, checklists and supporting materials.

Other Accomplishments

- ✓ Completed inspections and approved occupancy for Burien Toyota Renovation, Highline Heritage Museum, Merrill Gardens Senior Housing, Maverick Apartments at Town Square, Kaiser Permanente Clinic, Southwest Suburban Sewer District Operations Facility, Puget Sound Skill Center Health Sciences Building, Mary's Place Family Shelter, Western Distribution Warehouse, Seattle Gateway Center 1, and Seattle Gateway Center 2 in NERA.

2019-2020 Initiatives

Goal 4: Optimize customer service and support private investment in Burien.

- Replace permit processing software with the goal of improving development review efficiency and expanding electronic permit service offerings.
- Implement a technology fee to support expanded electronic development review process.
- Adopt and implement the 2018 Construction Codes, including updating applications, checklists, and supporting materials.

Budget Highlights – Building Division

Salaries and Benefits: Salaries are based on actual costs for existing positions and include a 3.6% cost of living adjustment (COLA) in 2019 and a 3.0% COLA placeholder in 2020.

Professional Services: In 2019, \$150,000 will be appropriated for consulting services related to streamlining the permitting process and the selection of new permitting software. Ongoing professional services are for on-call building and electrical inspection services to cover vacations, vacancies, and accommodate higher than usual workloads or complex projects.

Software Licensing Fees: Quarterly maintenance fees for MyBuildingPermit.com. Fees are calculated based on a percentage of permit revenue.

Machinery and Equipment: Provides funding for the implementation of a new permit software system. This project was originally scheduled to begin in 2018 but was postponed due to limited capacity for major projects from Building Division and Information Technology staff.

Planning Division

Responsible Director: Chip Davis, Community Development Director

Goals and Activities

The Planning Division is responsible for current planning, maintaining and implementing the Burien Comprehensive Plan, all land use and subdivision codes, and other special intergovernmental projects. Current planning involves review and approval of both building and zoning/land use permits, response to public inquiries on land use and planning issues, preparation of staff reports on planning issues, and providing public information on the development process. Long-range planning involves special studies and preparation of policies and regulations to address projected growth in the city. The division provides staff support to the Planning Commission, Hearing Examiner, and ad hoc special committees. The division supports the City Council in the review of current and long-term land development issues.

2017-2018 Accomplishments

Goal 3: Promote a thriving local business community and positive community spirit.

- ✓ Initiated urban center subarea plan, consolidating all downtown policy, planning, and design documents.

Goal 4: Optimize customer service and support private investment in Burien.

- ✓ Completed amendments to the municipal code to provide parking exemptions for existing buildings in downtown zones until November 2020.
- ✓ Completed amendments to the municipal code regarding wireless communications facilities towers in the right-of-way and private property.

Goal 7: Protect and improve the quality of Burien's natural environment.

- ✓ Commenced participation in Green Cities Partnership to develop urban forest assessment.
- ✓ Completed amendments to the municipal code to enhance tree preservation and establish a tree canopy recover program.

Goal 9: Continue to strengthen the City team.

- ✓ Restored Community Development staffing to pre-recession levels.

2019-2020 Initiatives

Goal 3: Promote a thriving local business community and positive community spirit.

- Complete Burien regional growth center subarea plan.

Goal 4: Optimize customer service and support private investment in Burien.

- Complete amendments to Comprehensive Plan housing element, goals, and policies.
- Amend the municipal code to comply with Reed v. Town of Gilbert regarding temporary and special events signs and content-based speech restrictions.
- Complete Department of Ecology's required review of the City's Shoreline Master Program.
- Complete Ambaum Corridor and Boulevard Park visioning and subarea planning efforts.
- Complete amendments to the municipal code to create a modern property division code.

Goal 7: Protect and improve the quality of Burien's natural environment.

- Complete Urban Forestry Enhancement Plan and initiate forest stewardship program with community-based urban forestry projects.

Budget Highlights – Planning Division

Salaries and Benefits: Salaries are based on actual costs for existing positions and include a 3.6% cost of living adjustment (COLA) in 2019 and a 3.0% COLA placeholder in 2020.

Professional Services: This provides funding for the department's portion of the City's Urban Center Plan, which will update and modernize key City codes and policy documents, most notably the City's Comprehensive Plan, to encourage growth in the downtown area.

Engineering Fees – Reimbursable: Consulting charges for permit review, primarily peer reviews, which can be charged to the applicant. These services may include geotechnical engineering, stream and wetland biology testing, and outside plan reviews.

Hearing Examiner – Non-reimbursed: This covers the cost for hearing examiners which are not charged to the applicant.

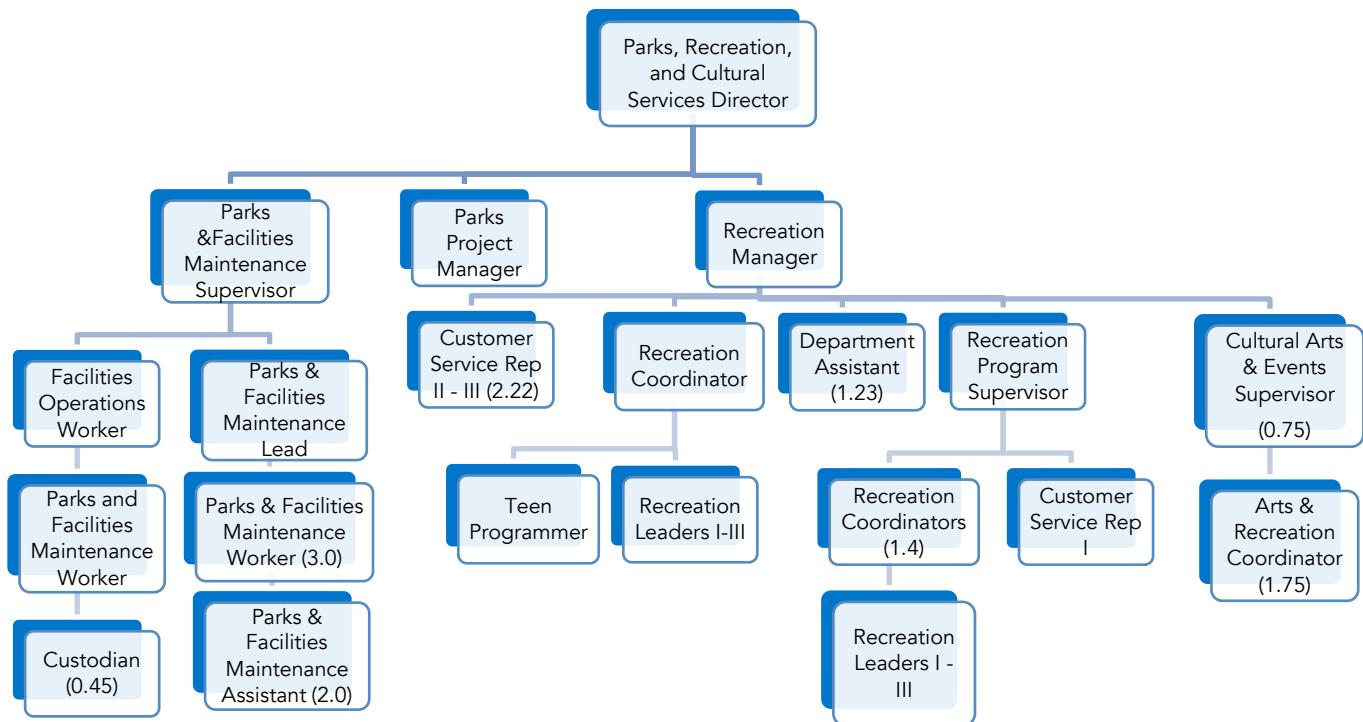

Advertising: Used for notices of application and public hearing notices.

Neighborhood Grant Fund: Provides funding for neighborhood improvement projects such as rain gardens, subdivision identification signs, and street lights.

Parks, Recreation, and Cultural Services Department (PaRCS)

Parks, Recreation, and Cultural Services Department (PaRCS)

Responsible Director: Steve Roemer, PaRCS Director

Goals and Activities

The PaRCS Department promotes a healthy, livable community with opportunities for physical activity as well as personal and cultural enrichment. To accomplish this mission, it offers recreation and cultural programs for citizens from pre-school age through senior adults. Participants are involved in a wide variety of arts, sports, health, and active living and special interest areas. Recreation programs are offered at the Burien Community Center, Moshier Art Center, and various Burien schools. The Department produces many city-wide special events throughout the year. The Department is also responsible for the operations, maintenance, and stewardship of Burien's park system, with over 350 acres of parks and open space property, including 25 developed and undeveloped parks.

2017-2018 Accomplishments

Goal 5: Enhance Parks and Recreation facilities and programs.

- ✓ The PaRCS Department completed the Lakeview Park playground replacement project.
- ✓ Completed the re-construction of the City Hall Spray Park.
- ✓ Completed the Parks, Recreation and Open Space Plan. Upon completion of the plan, City Council requested a further study to determine the feasibility of constructing a new community center.
- ✓ Completing the design of the Moshier Park Field and Restroom Improvements, and will secure funding for construction in 2020.

Goal 6: Provide quality, holistic services for vulnerable populations and at-risk community members.

- ✓ A new after school program is being provided at Highline High School. The existing Sylvester Middle School After School program and Teen Late Night programs were expanded in 2017 to accommodate increased demand.
- ✓ Developed a new Teen Service Club that served youth between the grades 7 – 12.
- ✓ Provided free swim lessons during the fall quarter of the Cedarhurst Afterschool Program.
- ✓ Developed and initiated a survey focusing on vulnerable senior population to help determine needs.

Goal 7: Protect and improve the quality of Burien's natural environment.

- ✓ Continued collaboration with utility agencies to construct the Seahurst Road Slide Repair Project, in cooperation with the Public Works Department.
- ✓ Monitored Seahurst post-construction Eel Grass beds and shoreline vegetation to assess project success and report to federal and state regulatory agencies.

Goal 8: Celebrate Arts and Culture

- ✓ Provided four new Neighborhood Celebrations throughout Burien during 2017.
- ✓ Hosted a new, family oriented Great Day of Play at Moshier Park and Art Center in 2018.
- ✓ Provided new public art exhibits in collaboration with Merrill Gardens and The Maverick Apartments.
- ✓ Hosted an Artist Meet and Greet in February 2018.

Goal 10: Upgrade critical information technology systems and address key facility needs.

- ✓ Upgrade of PaRCS program registration, facility booking, and point of sale software platforms.

2019-2020 Initiatives

Goal 5: Enhance Parks and Recreation facilities and programs.

- Convert Parks and Facility landscape maintenance from a contracted service to in-house. Provide a better level of customer service at a lower annual expense.
- Conduct satisfaction surveys of the Parks system.
- Complete design and construction of the Lake Burien Memorial Park Site Improvements.
- Complete design and construction of the Moshier Field 1 and Restroom Improvements.

Goal 6: Provide quality, holistic services for vulnerable populations and at-risk community members.

- Develop educational resource materials and programs for the vulnerable senior population specifically non-English speaking that were identified in the Senior Survey conducted in 2018.
- Support the development of a youth driven Teen Council.
- Continue to offer after school programs at Cedarhurst Elementary, Sylvester Middle School, and Highline High School.
- To foster public engagement by participating and hosting in community resource forums.

Goal 7: Protect and improve the quality of Burien's natural environment.

- Continue success monitoring of the Seahurst Seawall project measuring physical and biological condition changes.

Parks, Recreation, and Cultural Services Department

Budget Highlights – Parks, Recreation, and Cultural Services Department

The 2019-2020 budget proposes that the landscape maintenance of City parks will be performed by City staff instead of through contract services. The 2019-2020 budget proposes that a Parks & Facilities Maintenance Lead position be created, as well as a Facilities Operations Worker, and an additional 4.0 FTE of additional Parks & Facilities Maintenance Workers – 2.0 FTE will be full-time employees and 2.0 FTE will be seasonal intermittent employees. At Council direction, the budget also increases the wages for intermittent staff to above \$15 per hour. In the 2017-2018 mid-biennium amendments, a Customer Service Supervisor position was added to supervise all Community Center facility and customer service activities. This budget will reclassify that position as a Customer Service Representative III. Similarly, the previous Front Desk Assistant will be reclassified as a Customer Service Representative II position.

Salaries and Benefits: Salaries are based on actual costs for existing positions and include a 3.6% cost of living adjustment (COLA) in 2019 and a 3.0% COLA placeholder in 2020.

Office and Operating Supplies: In addition to the office supplies for the Burien Community Center, this account funds supplies needed for recreation and after school programs, as well as supplies needed for building repairs and maintenance of City parks.

Professional Services: General professional services are split between two key areas: recreation and maintenance of City parks. Professional services in recreation will pay for performers at special events, after school programs, arts education, and a partnership with Evergreen Pool to provide swim passes to low-

income. Professional services in parks maintenance will pay for contract services to remove graffiti, fallen trees, and yard waste disposal.

Seasonal Security: Funds security at summer special events.

Strawberry Festival: Funding for this event, and the associated revenue from vendors, was eliminated because the City discontinued organizing this event in 2018.

Instructor Professional Services: Provides funding for all contracted senior, adult, youth, and arts recreation classes.

Arts and Culture Grants: Available funding provided to arts organizations on a competitive basis, which provide arts and cultural opportunities to Burien residents.

Parks Maintenance: Funds the City's contract to provide landscape maintenance for City parks. Due to an anticipated and substantial increase in the cost of the contracted landscape maintenance service, the City is proposing that staff perform these functions.

Recreation Guide: Graphic design services for the publication of the quarterly Recreation Guide. Costs related to the printing and postage for the Recreation Guide are transferred to the Administrative Services Department in this budget.

Software Licensing Fees: Annual licensing fees for the Department's recreation registration software. Implementation began in 2017, which is the reason for the increased expenditure in this account.

Summer Youth: Partnerships for after school programs with the Highline School District and summer programs for Latino youth with Para Los Niños.

Janitorial: For contract custodial services at the Burien Community Center and Moshier Arts Center. Also provides funding for occasional exterior repairs, HVAC maintenance, and floor waxing.

Banking Services/Credit Card Fees: Visa merchant charges for credit card payments received for recreation classes.

Operating Rentals and Leases: Primarily provides funding for the lease of the department copier at the Community Center, and rentals for various special events and day camp programs.

Utilities: Charges for all utility services for City parks and PaRCS department buildings, which includes water, sewer, gas, and electricity. The increase in the 2019-2020 budget primarily reflects the rate increases approved by Seattle City Light.

Repairs and Maintenance: Includes funding for all materials needed for repairs in City parks, PaRCS department vehicles, and miscellaneous building repairs as needed.

Admissions and Entrance Fees: Funds admissions fees for the City's day camp programs, teen programs, and senior programs.

Performance Measures – Parks, Recreation, and Cultural Services Department

Community Assessment Survey	2010	2012	2014	2016	2018
% of community survey respondents rating the city's parks and facilities as good to excellent (in terms of cleanliness and levels of maintenance)	78%	76%	64%	63%	76%

Cost to maintain all parks per acre	\$ 1,693	\$ 1,874	\$ 1,925	\$ 2,163	\$ 2,403
Facility Bookings for Burien Community Center, Athletic Sports Fields, and Seahurst Park	*	1,735**	1,982	2,219	2,368
# of kids provided scholarships	116	85	88	171	217

Other Funds

Other funds account for the proceeds of specific revenue sources that are restricted by law or City policy to expenditures for specified purposes. Other Funds includes eight Special Revenue Funds: three are reserve funds that account for the City's longer-term accumulation of resources, two are operating funds, one is the Transportation Benefit District Fund, one is the Art in Public Places Fund and the remaining fund is the Debt Service Fund.

Street Fund	3-5
Surface Water Management Fund	3-9
Public Works Reserve Fund	3-13
Equipment Reserve Fund	3-15
Art in Public Places Fund	3-16
Capital Projects Reserve Fund	3-17
Transportation Benefit District Fund	3-18
Debt Service Fund	3-19

Street Fund

Responsible Manager: Maiya Andrews, Public Works Director

Goals and Activities

The Street Fund is required by state law to account for motor vehicle fuel tax, which is a dedicated state-shared revenue restricted for street maintenance. The fund also includes other revenue sources that are not restricted including solid waste franchise fees, solid waste utility tax, commercial parking tax, and right-of-way permit fees. Some services are provided with in-house staff while others are provided through contracts.

2017-2018 Accomplishments

Goal 2: *Steward the City's basic infrastructure, making sure it is safe and maintained to standard.*

- ✓ Increased funding in 2017 for the pavement management program to about two-thirds of the required funding level needed to maintain current conditions.
- ✓ Maintained more lane miles by using less expensive alternative treatments such as slurry seals in addition to traditional overlay methods.
- ✓ Received a \$3.7 million grant for 1st Avenue South Phase III paving, and started the design phase of the project.
- ✓ Submitted a TIB grant for construction of the South 136th Street Sidewalk Improvements Project.
- ✓ Completed a transportation study of the S/SW 160th Street Corridor.
- ✓ Commenced design on the 4th Avenue SW Project between SW 156th Street and SW 160th Street, and the 5th Avenue South Traffic Calming Project.

Goal 9: *Continue to strengthen the City team.*

- ✓ Added a Maintenance Worker to the City's street crew in 2017 to increase the City's street maintenance capacity.

2019-2020 Initiatives

Goal 2: *Steward the City's basic infrastructure, making sure it is safe and maintained to standard.*

- Maintain legislative support for the State Route 518/Des Moines Memorial Drive Interchange.
- Obtain design funding for the State Route 518 westbound on-ramp.
- Pursue additional revenue to expand the Pavement Management Program.
- Pursue grant funding to leverage additional revenues for high priority projects in the Transportation Master Plan and/or Transportation Improvement Plan.
- Seek funding for construction of the 4th Avenue SW/SW 148th Street and 6th Avenue SW/SW 148th Street Intersections Project.
- Seek funding for construction of the 4th Avenue SW Sidewalks Project.
- Continue to investigate cost-saving measures for maintenance.

Goal 9: *Continue to strengthen the City team.*

- Improve service and response times; reduce maintenance costs by evaluating in-house vs. contracted tasks.
- Continue regional discussion on partnership opportunities for traffic signal maintenance services.
- Purchase equipment that increases maintenance efficiency.

Goal 10: *Upgrade critical information technology system and address key facility needs.*

- Pursue partnership opportunities for a shared decent facility.

Budget Highlights – Street Fund

The City approved an additional Civil Engineer II position, primarily responsible for capital project management, and the cost of the position is offset by the elimination of the Management Analyst position. Of this 1.0 FTE position, 0.7 FTE is funded by Street Fund revenues.

Salaries and Benefits: Salaries are based on actual costs for existing positions and include a 3.6% cost of living adjustment (COLA) in 2019 and a 3.0% COLA placeholder in 2020.

Professional Services: Provides funding for various on-call services, which include engineering consulting, emergency repairs, and tree removal and trimming. The City funds the City's partnership with King County's Community Work Crew program, which provides trash and graffiti removal services. The City also funds services for litter removal and traffic control at community events.

Utilities: Primarily funds the payment of utilities to Seattle City Light for the City's street lights and signals. The increase in utility expenditure is due to the increase in utility rates approved by Seattle City Light in 2018.

Intergovernmental Professional Service: This funds the street maintenance contract with King County to perform additional maintenance as needed. The reduction in expenditure reflects the City's increased capacity to maintain City streets.

Traffic Signal/Control Maintenance: This funds the City's contract with King County for the maintenance of traffic signals and signs, striping, engineering, and pavement marking.

Machinery and Equipment: 2019 funding includes the purchase of a salt and sand spreader to clear smaller roadways during a snow event. This also includes the purchase with Street and Surface Water Management funds of a light tower to provide adequate lighting for the City's maintenance crew for night time operations.

Transfers Out: In 2019 and 2020, the Street Fund will transfer in both years \$40,000 to the General Fund to pay for its share of the City's GIS and Information Systems services, and \$50,000 to Equipment Replacement Fund for future equipment replacement. \$320,000 in 2019 and \$310,000 in 2020 will be transferred to the Debt Service Fund to finance the debt service on the City's 2010 Limited Tax General Obligation (LTGO) bond for street overlay repairs. \$500,000 in 2019 and \$1,155,000 in 2020 will be transferred to Transportation Capital Improvement projects.

Surface Water Management Fund

Responsible Manager: Maiya Andrews, Public Works Director

Goals and Activities

The Surface Water Management Fund accounts for the maintenance and improvement of the City's storm drainage system. Revenue is derived from fees collected from residences and businesses through the King County property tax collection process. Some services are provided with in-house staff while others are provided through contracts.

2017-2018 Accomplishments

Goal 2: Steward the City's basic infrastructure, making sure it is safe and maintained to standard.

- ✓ Installed a new stormwater detention system on SW 151st Street to alleviate chronic flooding issues on SW 152nd Street and 8th Ave SW.

Goal 7: Protect and improve the quality of Burien's natural environment.

- ✓ Held the first "StormFest" event, an interactive stormwater science education festival attended by all 6th grade students in the Highline School District. Partnered with several other entities.
- ✓ Installed ten residential rain gardens at no cost to residents, and provided free workshop training sessions for the community.
- ✓ In cooperation with Sylvester Middle School, helped develop a stormwater science curriculum, with the final project resulting in the construction of a rain garden on campus.
- ✓ Completed the construction of a water quality retrofit project along Southwest 165th Street.
- ✓ Implemented new requirements for Low Impact Development (LID) techniques into new and redevelopment projects.
- ✓ Constructed a water quality retrofit project on South 152nd Street in NERA to treat previously untreated stormwater runoff that drains to Miller Creek.
- ✓ Inspected over half of the City's catch basins, all commercial stormwater facilities, and all city owned stormwater facilities.
- ✓ Provided native trees to residents along with education on stormwater and urban forestry in exchange for an environmental pledge.

2019-2020 Initiatives

Goal 7: Protect and improve the Quality of Burien's natural environment.

- Work with adjacent cities to develop a long term program with funding for an annual StormFest event.
- Work with King County and local businesses to implement a "depave" program to remove impervious surfaces and install green stormwater infrastructure.
- Continue offering free natural yard care classes to Burien residents emphasizing chemical use reduction.
- Work with the Port of Seattle and City of SeaTac to fund and construct improvements on Miller Creek in NERA to remove an existing fish barrier and enhance water quality along the creek corridor.
- Develop an implementation schedule for the new NPDES Permit which goes into effect in 2019.
- Improve the force main conveyance system from Hermes Pond to alleviate chronic flooding on private property.

2019-2020 Initiatives (cont.)

- Continue to participate in regional forums including: Puget Sound Starts Here and STORM (Stormwater Outreach for Regional Municipalities).

Goal 9: Continue to strengthen the City team.

- Improve service and response times; reduce maintenance costs by evaluating in-house versus contracted services.
- Purchase equipment that increases maintenance efficiency.

Budget Highlights – Surface Water Management Fund

The City approved an additional Civil Engineer II position, primarily responsible for capital project management, and the cost of the position is offset by the elimination of the Management Analyst position. Of this 1.0 FTE position, 0.3 FTE is funded by Surface Water Management Fund revenues.

Salaries and Benefits: Salaries are based on actual costs for existing positions and include a 3.6% cost of living adjustment (COLA) in 2019 and a 3.0% COLA placeholder in 2020.

Professional Services: Includes funding for street sweeping, pond cleaning, and on-call services for engineering and emergency repair services. Also includes increased funding for StormFest in 2020.

Miller/Walker Basin Stewardship: Funds the City's share of the Basin Stewardship program.

NPDES Phase II: Funding to provide public education, car wash kits, and continue implementation of new NPDES permit requirements.

TV Inspection and Vactoring: Video inspection and vactoring of the stormwater drainage system. The

decrease in 2019 expenditure is due to one-time additional video inspection services in 2018 to determine the need for future inspections.

SWM Billed by KC SWM: King County SWM Division provides additional assistance when needed on historic stormwater issues.

SWM Billed by King County Roads: Work orders that are performed by King County Roads due to the need for specialized equipment. The decrease in expenditures is due to the City's increased capacity to manage specialized work orders.

County Collection Fee: This fee is charged by King County to collect the City's Storm Drainage Fees and Charges through property tax collections.

Machinery and Equipment: 2019 funding includes the purchase of an arrow board to be installed on the City's vactor truck. This also includes the purchase with Street and Surface Water Management funds of a light tower to provide adequate lighting for the City's maintenance crew for night time operations.

Transfers Out: In 2019 and 2020, the Surface Water Management Fund will transfer in both years \$40,000 to the General Fund to pay for its share of the City's GIS and Information Technology services, \$70,000 to Equipment Replacement Fund for future equipment replacement, and \$1,200,000 for Surface Water Management Capital Improvement projects.

Public Works Trust Fund Loan Principal and Interest: This budget is for debt service for the Ambaum Sub-Basin Public Works Trust Fund Loan PW06-962-010. This loan was issued in the amount of \$1,547,000 to fund the Ambaum Pond Project associated with the 1st Avenue South Phase 1 project. The outstanding balance as of December 31, 2018 is \$664,247. This is a 20-year loan at 0.50% interest.

Public Works Reserve Fund

The Public Works Reserve Fund accumulates revenue to implement the City's capital improvement plan. Funding sources include both quarter percentages of the real estate excise tax (REET) and parks mitigation fees. The use of REET and parks mitigation fees are restricted by applicable sections of State Law and City Code, as described below. These funds are primarily used to pay debt service for qualified projects.

Per State law, the City is authorized to levy a real estate excise tax (REET) on all sales of real estate. All cities and counties may levy a quarter percent tax (described as "the first quarter percent of the real estate excise tax" or "REET 1"). Cities and counties planning under the Growth Management Act (GMA) have the authority to levy a second quarter percent tax (REET 2).

- Real Estate Excise Tax 1 (REET 1) (RCW 82.46.010): Cities and counties with a population of 5,000 or more planning under the GMA must spend REET 1 receipts solely on capital projects that are listed in the capital facilities plan element of their comprehensive plan. Capital projects are defined as: public works projects of a local government for planning, acquisition, construction, reconstruction, repair, replacement, rehabilitation, or improvement of streets, roads, highways, sidewalks, street and road lighting systems, traffic signals, bridges, domestic water systems, storm and sanitary sewer systems, parks, recreational facilities, law enforcement facilities, fire protection facilities, trails, library facilities, administrative facilities, and judicial facilities.
- Real Estate Excise Tax 2 (REET 2) (RCW 82.46.035): The second quarter percent of the real estate excise tax provides funding for cities and counties to finance capital improvements required to occur concurrently with growth under the Growth Management Act. Capital projects are defined as: Public works projects of a local government for planning, acquisition, construction, reconstruction, repair, replacement, rehabilitation, or improvement of streets, roads, highways, sidewalks, street and road lighting systems, traffic signals, bridges, domestic water systems, storm and sanitary sewer systems, and planning, construction, reconstruction, repair, rehabilitation, or improvement of parks.
- Parks Mitigation fees are restricted for the establishment of parks, open spaces, and recreational facilities to serve the expanding population of the city.

Budget Highlights - Public Works Reserve Fund

Real Estate Excise Tax: Actual tax collections in 2017 were substantially higher than the budgeted estimates due to the sale of two large apartment complexes, a warehouse, and a nursing home. The budgeted estimates for 2019 and 2020 reflect a baseline amount of revenue, without any anticipated sales of large commercial or residential properties.

Investment Income: The budgeted estimate for investment income is \$55,000 in 2019 and 2020 due to higher interest rates received from the City's investment pool, combined with a substantially higher cash balance in the fund due to several large sales of commercial and residential properties during 2017 and 2018.

Transfers Out: Revenues collected in this fund are primarily used to cover the City's debt service. \$1,317,000 in 2019 and \$1,327,000 in 2020 will be transferred to the Debt Service Fund for this purpose. In 2020, \$500,000 will be transferred to partially fund the 1st Avenue South Phase III paving project, and \$750,000 will be transferred to partially fund the South 136th Street Sidewalk Improvements projects.

Equipment Reserve Fund

The Equipment Reserve Fund is used for the purchase of major equipment replacement. Major equipment is defined as equipment in excess of \$5,000 and has a service life of three years or more. It is funded by transfers from the General Fund, the Street Fund, and the Surface Water Management Fund.

Equipment Reserve Fund

Budget Highlights – Equipment Reserve Fund

Investment Income: The budgeted estimate for investment income is \$25,000 in 2019 and 2020 due to higher interest rates received from the City's investment pool, combined with a healthy cash balance in the Fund for the accumulation of reserves for future equipment replacement.

Transfers In: Transfers from the General, Street, and Surface Water Management funds finance the accumulation of reserves for future equipment replacement.

Small Tools and Minor Equipment: Funds scheduled replacement in 2019 of desktop monitors, desktop computers, and printers for all City departments.

Machinery and Equipment: Includes replacement in 2019 of a data storage system, backup and domain servers, and an asphalt ride-on roller. IT firewalls and a flatbed truck will be replaced in 2020.

Art in Public Places Fund

The Art in Public Places Fund was established to encourage and promote the creation and placement of art in public places. These funds are used to acquire works of art identified by the City's Arts Commission, as well as the repair and maintenance of the City's works of art.

Budget Highlights – Art in Public Places Fund

Transfers In: In 2018, the City Council passed Ordinance 684, requiring that the Art in Public Places Fund be financed with a transfer from the General Fund equivalent to \$0.50 for each Burien resident according to population estimates provided by the State's Office of Financial Management. This is estimated to be \$26,500 in 2019 and 2020.

Public Art: This finances the creation or acquisition of public art. In 2019 and 2020, the City's Arts Commission will commission artwork on various utility boxes and bus shelters throughout Burien.

Capital Projects Reserve Fund

This fund was initially established in 2004 to accumulate funds for the replacement of the previous Senior Center. The 2008 financial policies broadened the scope to include all capital projects and renamed it the Capital Projects Reserve Fund. This fund has also been used to supplement the City's debt payments when Real Estate Excise Tax revenue in the Public Works Reserve Fund is not sufficient to fund the debt service payments.

Budget Highlights – Capital Projects Reserve Fund

Property Tax: The Capital Projects Reserve Fund is funded with 10% of the City's property tax levy, according to the City's Financial Policies. In the 2019 Adopted Financial Policies, the City will collect 100% of the City's property tax levy in the General Fund starting in 2020, in order to address the structural imbalance caused by the loss of the Sales Tax Annexation Credit.

Investment Income: The budgeted estimate for investment income is \$30,000 in 2019 and 2020 due to higher interest rates received from the City's investment pool, combined with a healthy cash balance in the Capital Projects Reserve Fund as it accumulates funds throughout the year for capital projects.

Transfers Out: In 2020, \$500,000 will be used to partially finance the improvements to Lake Burien School Memorial Park, and another \$500,000 will be used to partially finance field and restroom improvements at Moshier Park.

Transportation Benefit District Fund

The Burien Transportation Benefit District (TBD) was formed in 2009 to finance transportation improvements in accordance with the City's Capital Improvement Program. Since 2017, the City assumed the functions of the Burien Transportation Benefit District, and is governed by the City Council.

Budget Highlights – Transportation Benefit District Fund

Transportation Benefit District (TBD) Vehicle Fee: This is a \$20 excise tax charged on all vehicles registered within the City of Burien, with the purpose of funding debt service on prior street overlay projects and fund current street overlay projects.

Transfers Out: \$400,000 will be transferred to the Debt Service Fund to finance the debt service on the City's 2010 Limited Tax General Obligation (LTGO) bond for street overlay repairs. Another \$400,000 will be transferred to the Transportation Capital Improvement Program Fund to partially finance the City's Pavement Management Program to maintain City streets.

Debt Service Fund

The Debt Service Fund accounts for the accumulation of resources necessary to pay principal and interest on general long-term debt. General Obligation Bonds are a direct obligation of the City for which its full faith and credit is pledged. Only debt service and related costs are paid from the Debt Service Fund.

Debt Service Fund

Summary of Outstanding Debt

General Obligation Bonds

2009 SCORE Series A and B Special Obligation Bonds: In 2009, the South Correctional Entity (SCORE) Public Development Authority (PDA) issued \$86 million of Special Obligation Bonds. The City of Burien's 4% ownership responsibility in this long-term liability has an outstanding balance of \$2,864,800 as of December 31, 2018. The interest rate for these bonds is 2.0 to 5.346%.

2010A and 2010B Limited Tax General Obligation Bonds (\$8,615,000): These bonds funded a major street overlay project. Series A are tax-exempt municipal debt, while series B are Build America Bonds (BABs), which are taxable municipal debt with a rebate from the Federal Government to subsidize a portion of the interest cost. The outstanding balance as of December 31, 2018 is \$5,480,000. This a 20-year bond with interest rates range from 2.0 to 6.13%.

2011 Limited Tax General Obligation Bonds (\$8,550,000): In 2011, this bond was issued to refund the majority of the 2002 bonds and to provide funding to complete the first phase of the 1st Avenue South capital project. The outstanding balance as of December 31, 2018 is \$5,620,000. This a 20-year bond with interest rates range from 2.0 to 4.0%.

2016 Refunding of 2006 Limited Tax General Obligation Bonds (\$5,320,000): These bonds were issued to refund the remaining balance of the 2006 Limited Tax Obligation Bonds, which were originally issued for \$9,805,000 to provide funds for a future Senior and Activity Center and to continue development of the Town Square Project. The balance as of December 31, 2018 is \$4,360,000. The refunding bonds were issued for a period of 10 years with interest rates ranging from 2.0 to 4.0%. The refunding resulted in a net present value savings of more than \$735,000 over the repayment period.

Public Works Trust Fund Loans

152nd St Public Works Trust Fund Loan PW-02-691-007 (\$1,000,000): A portion of this loan is being repaid with revenues from a special assessment (LID #1) against the benefiting property owners on the 152nd Street Enhancement Project, completed in 2003. The remaining portion being repaid with Real Estate Excise Taxes received in the Public Works Reserve Fund. This is a 20-year loan at 0.50% interest. These funds were received in 2002 and 2003. The outstanding balance of this loan as of December 31, 2018 is \$211,110.

152nd St Enhancement Project Public Works Trust Fund Loan PW-02-691-009 (\$2,440,016): The loan has an outstanding balance of \$387,533 as of December 31, 2018 and is being repaid with Real Estate Excise Taxes received in the Public Works Reserve Fund. This is a 20-year loan at 0.50% interest. These funds were received between 2001 and 2004.

1st Ave S. Phase I Public Works Trust Fund Loan PW-04-0691-011 (\$2,000,000): This Loan is for the 1st Avenue South Corridor Project – Phase 1. This loan is split, with half of it being paid by a special assessment on the benefitting property owners and half being repaid from real estate excise taxes. The outstanding balance as of December 31, 2018 is \$721,616. This is a 20-year loan at 0.50% interest, borrowed in late 2007 and 2008.

**City of Burien, Washington
Capital Improvement Program Overview**

The 2019-2024 Capital Improvement Program (CIP) estimates the cost of approved capital projects for the six-year period and identifies the revenues expected to fund them. With several new projects added last year, the focus of the 2019-2020 Capital Improvement Program (CIP) is to work on existing projects and continue to seek grants to supplement existing funding. Project numbers have been added to the capital projects to improve financial reporting. Projects starting with "PG" are Parks and General Government CIP projects, "TR" are Transportation CIP Projects, and "SW" are Surface Water Management CIP projects. Projects have been organized numerically by project number in each CIP Fund.

The Capital Improvement Program begins with summaries of project costs and revenues followed by separate sections for Parks and General Government, Transportation, and Surface Water Management. Each section contains individual project descriptions explaining the nature of each project, which is followed by revenue and expenditure tables. The CIP is guided by master plans that identify capital improvements that will help the City achieve the goals and policies adopted in the Comprehensive Plan. The Master Plans and Updates for each area (Parks, Recreation, Open Space (PROS) Plan, Transportation Master Plan, and Storm Drainage Master Plan) are adopted by the City Council.

The Parks and General Government Capital Improvement Program section has a list of projects that have been identified as necessary but remain unfunded during the forecast period 2019 to 2024. The Transportation CIP section has a list of higher priority unfunded Transportation projects. Lower priority unfunded Transportation projects are listed in the six-year Transportation Improvement Plan (TIP) and unfunded Surface Water Management projects are listed in the Storm Drainage Master Plan, separately adopted by Council.

A capital project is defined as a project of a nonrecurring nature with a cost of \$25,000 or more and estimated service life of at least 10 years, including major renovations of existing facilities. Funds available to finance the Capital Improvement Program include grants, private development sources, bonds, real estate excise tax (REET), Transportation Benefit District (TBD) vehicle fees, and excess fund balances from the General Fund, Street Fund, and Surface Water Management Fund.

Parks and General Government Capital Improvement Plan projects scheduled to begin or continue in 2019-2020 include the following:

- PG0006 - Moshier Park Field and Restroom Improvements – This project is for design and construction of an all-season multi-purpose field at Field 1 and replacement of the restroom building at Moshier Park. Design is underway and construction is scheduled for 2020.
- PG0007 - Lake Burien School Memorial Park Improvements – Design for this project may start in 2018, however, construction is scheduled for 2019-2020. The project includes Community Development Block Grant (CDBG) funds to make the pathway around the park compliant with the Americans with Disabilities Act (ADA); and installation of new play equipment.
- Seahurst Park Roadside Parking Improvements – This project is for design of additional street parking near Seahurst Park.
- Burien Community Center Restroom Renovation – This new project includes Community Development Block Grant (CDBG) funds for design and construction to add a third family style (uni-sex) restroom at the Burien Community Center.

Parks and General Government Capital Improvement Plan projects expected to be complete or nearly complete in 2018 include the following:

- PG0005 - Seahurst Park Slide – This project is for construction of a soldier pile wall for stabilization near the lower end of the upper parking lot.
- PG0010 - Eagle Landing Park Stair Reconfiguration – This project is for removal of the stairs and rails.
- PG0011 - Lakeview Park Playground/Path Improvements – A federal Community Development Block Grant (CDBG) was awarded to replace the old play area with new play equipment for ages 2-5 and renovate the adjacent tree impacted park pathway.

Transportation Capital Improvement Plan projects scheduled to begin or continue in 2019-2020 include the following:

- TR0002 - Pavement Management Program – This is an annual program for resurfacing arterial and residential streets. It was previously named Street Overlay Program.
- TR0005 - Citywide ADA Barrier Mitigation Program – The repair and replacement of various ramps and sidewalks citywide to meet ADA requirements.
- TR0009 - Signal Controller/Interconnect Upgrades Program – This is a bi-annual program to update outdated signal controllers at various intersections to coordinate the timing of traffic lights.
- TR0014 - 5th Avenue South Traffic Calming – This project evaluates and constructs traffic calming features on 5th Avenue South between SW 116th Street and SW 124th Street.
- TR0017 - Peter Western Bridge Replacement – This project replaces the bridge that was demolished due to severe erosion to the footings.
- TR0019 - South 144th Way Improvement – This project realigns South 144th Way to facilitate commercial traffic into and out of the North East Redevelopment Area (NERA).
- TR0021 - 1st Avenue South Phase 3 – This project provides reconstruction on 1st Avenue South between South 128th Street and South 140th Street.
- TR0023 - South 136th Street Sidewalk Improvements – This project constructs bicycle lanes and repairs the sidewalks along South 136th Street between 1st Avenue South and Des Moines Memorial Drive.

Transportation Capital Improvement Plan projects expected to be complete or nearly complete in 2018 include the following:

- TR0008 - 4th and 6th Avenues SW/SW 148th Street Intersection – Design work to upgrade the existing signal and add protected left-turn phasing on all approaches continues.
- TR0010 - North East Redevelopment Area (NERA) Infrastructure Improvements-Pilot Program – This project is in partnership with the Port of Seattle to plan and design infrastructure improvements in NERA.
- TR0015 - South 156th Street at 4th Avenue South Pedestrian HAWK – A pedestrian actuated High intensity activated crosswalk (HAWK) signal will be installed at this crosswalk.
- TR0020 - 4th Avenue SW Bike Lanes Striping – This project restripes bikes lanes along 4th Avenue SW between SW 116th Street and SW 128th Street.
- TR0022 - South 128th Street Corridor Study – Traffic operations will be analyzed along the South 128th Street corridor between Ambaum Boulevard SW and Des Moines Memorial Drive.

The Transportation CIP is funded with excess fund balance from the Street Fund, REET, property tax from the Capital Projects Reserve Fund, a portion of the Transportation Benefit District car tab fee, grants, and private contributions. Funds are also transferred from the Surface Water Management Capital Improvement Projects Fund for projects with a surface water component. Nearly all ending fund balances have been committed over the six-year period.

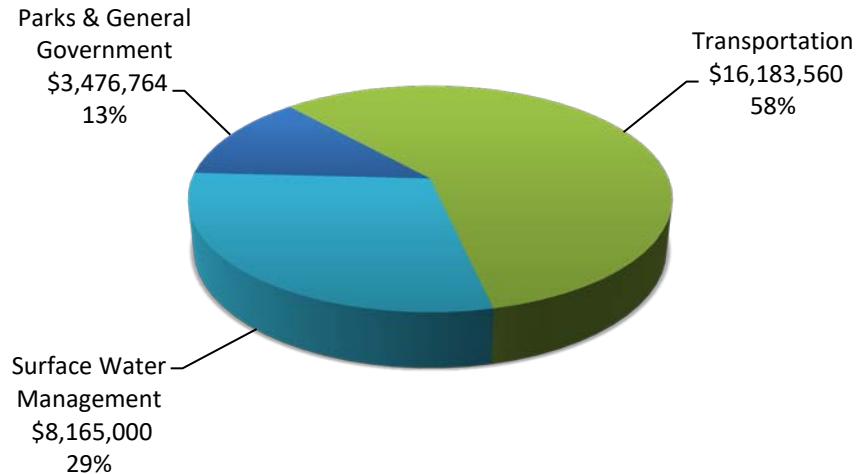

Surface Water Management Capital Improvement Plan projects scheduled to begin or continue in 2019-2020 include the following:

- SW0001 - Residential Drainage Improvement Program (RDIP) – This is an annual program to address gaps in the drainage system that impact private property.
- SW0009 - 20th Avenue South Drainage Improvements – This project replaces an existing stormwater system along 20th Avenue South between South 120th Street and South 124th Street.
- SW0010 - Cove Point Outfall Repair – This project replaces the failing outfall pipe within Seahurst Park.
- SW0011 - Hermes Outlet Improvements – Design and construction of a new conveyance for the outflows from Hermes Pond.
- SW0012 - Storm Drainage Master Plan Update – Plan will be updated to include required National Pollutant Discharge Elimination System (NPDES) Phase II permit elements.
- SW0013 - Miller Creek Enhancements – This project realigns Miller Creek to enhance riparian features.
- SW0014 – Eagle Landing Park Storm Drainage Improvements – This new project will improve the drainage at Eagle Landing Park.

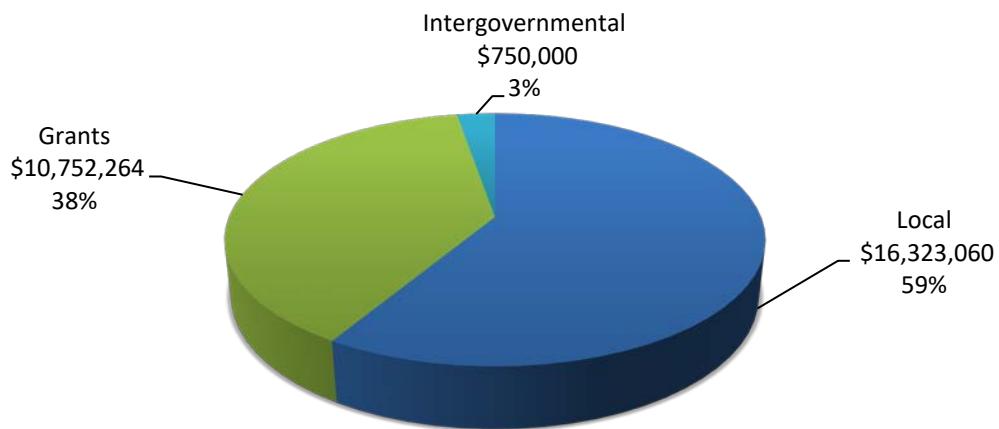

Surface Water Management Capital Improvement Plan projects expected to be complete or nearly complete in 2018 include the following:

- SW0004 - SW 151st Street and 8th Avenue SW Drainage Improvements – Capacity improvements to the stormwater system in this area.
- SW0006 - SW 165th Street Drainage Improvements – This project will eliminate road ponding during heavy rain at this site.
- SW0007 - 8th Avenue South Sub-basin Retrofit – This project reroutes an existing storm drain trunk line in the North East Redevelopment Area (NERA).

**2019-2024 Capital Improvement Program
Parks and General Government CIP**

Project Number:	PG0006
Project Name:	Moshier Park Field and Restroom Improvements
Project Location:	Moshier Park is located at 430 S. 156th Street.
Project Description:	This project includes design improvements to Moshier Park Field 1 Turf; design improvements to the stormwater system for all fields and the parking lot; and design of a new restroom and concession building. Construction costs for the recreational features of the ballfield, restroom/concession building, and ADA trail is estimated at \$1.8 million and is shown in 2020. Construction costs for stormwater drainage improvements are not included in the estimates below. The City continues to seek grant funding for these costs. Stormwater drainage improvements are needed in order to do the recreation features.

**2019-2024 Capital Improvement Program
Parks and General Government CIP**

Project Number:	To be determined.
Project Name:	Public Works/PaRCS Maintenance Facility
Project Location:	To be determined.
Project Description:	This project is to design and construct a new Public Works/PaRCS maintenance facility to include an emergency operations center with auxiliary generator, staff area with locker room and office space, supply warehouse, interior parking for specific vehicles, covered materials/aggregate bins, storage for equipment and supplies, vehicle wash and fueling, and secure illuminated storage yard. Sustainable building techniques will be utilized where feasible. Based on recent consultant studies, the cost for a standalone facility (excluding property) is between \$8 and \$12 million. The City is currently evaluating partnership opportunities with the Highline School District on their underutilized property off of Des Moines Memorial Drive. By sharing the site and potentially sharing some facilities (such as a combined School District lunch and training room with a City emergency operations center, materials storage, fueling, and wash bays), the City could see one-time savings of \$1-2 million. Costs cannot be refined until a site is selected. A placeholder estimate of \$10 million for design and construction and \$1.5 million for right-of-way acquisition is included for planning purposes. Actual costs may vary greatly depending on the site chosen, and whether the City is able to take advantage of partnership opportunities.

Unfunded Parks & General Government CIP Projects. These are preliminary estimates.

<u>All - Play Playground</u>	\$2,500,000
Potential multi-agency partnership to design and construct an all inclusive playground for children of all abilities. May be a phased project.	
<u>Des Moines Memorial Park</u>	600,000
Design and develop a plaza area in front of the current 84-foot long granite World War I memorial located east of Sunnydale School. This area would serve as a gathering place for memorial celebrations and events.	
<u>Master Planning</u>	350,000
Develop master plans for underdeveloped parks in Burien including Hazel Valley, Hilltop, Puget Sound, and Salmon Creek. May be a phased project.	
<u>Mathison Park Expansion - Phase 3</u>	2,300,000
Expand Mathison Park to include a restroom, picnic shelter, paved parking, and trails.	
<u>Moshier Field Lights</u>	120,000
Renovate the field lights at the Moshier Fields.	
<u>Moshier Sports Fields Nos. 2, 3, and 4</u>	3,000,000
Convert Moshier sports fields Nos. 2, 3, and 4 from grass to turf.	
<u>Park Acquisition and Development</u>	1,800,000
Acquire and develop properties in areas of Burien currently underserved by parks.	
<u>Seahurst Park - Upper Parking Lot</u>	4,900,000
Improve upper parking lot and main road as identified in the Seahurst Park Master Plan.	
<u>UNFUNDED PROJECTS TOTAL</u>	<u>\$15,570,000</u>

\$16.2 million**

2019-2024 Capital Improvement Program
Transportation CIP

Project Number:	TR0002
Project Name:	Pavement Management Program
Project Location:	Various streets citywide.
Project Description:	This project is an annual program for the repair and resurfacing of arterial and residential streets. Pavement preservation locations are determined annually using information generated by the Pavement Management Inventory. The City continues to explore alternative pavement treatments to reduce costs.

	Funded	Unfunded
Total Project Cost:	\$ 6,787,370	6,787,370 -

Account No.:	40259530
PM Task Code:	318-0009
TIP Project No.:	38
Comprehensive Plan:	Transportation Element-Goal 1
Strategic Plan:	2.a.

Maintenance Costs:	No change.
Change from prior CIP:	Revenue sources were adjusted in 2019-2024 by moving \$50,000 from Street Fund to Transportation Benefit District (TBD) Fund.

Unfunded Transportation CIP Projects. These are very preliminary estimates.

<u>1st Avenue South - Phase 4 (116th to 128th)</u>	\$11,400,000
Reconstruct roadway to Principal Arterial standards, including pedestrian, stormwater detention and water quality facilities, center medians and left-turn lanes, signal improvements and interconnections, landscaping and irrigation, and driveway consolidation where feasible. Convert utilities from overhead to underground. Replace drainage system.	
<u>SW 136th Street (1st Ave S. to Ambaum Blvd SW)</u>	9,980,000
Reconstruct road including storm drainage, bike lanes, parking, curb, gutter, and sidewalks.	
<u>8th Avenue S. (S. 128th St. to S. 136th St.)</u>	1,160,000
Improve pedestrian access. Install sidewalk, curb and gutter, bike lanes, drainage, landscaping, and illumination. Note: Consider phases along this corridor based on funding sources.	
<u>8th Avenue S. (S. 136th St. to Des Moines Memorial Drive (DMMD))</u>	16,800,000
Reconstruct road to include curb, gutter, sidewalks, bicycle lanes, parking, drainage, landscaping, and illumination. Note: Consider phases along this corridor based on funding sources.	
<u>S. 152nd Street (1st Ave S. to 8th Ave S.)</u>	1,260,000
Construct sidewalks on both sides of street. Fill in gaps in intermittent sidewalk and ensure implementation of American with Disabilities Act (ADA) standards. Construct bicycle lanes on both sides of street. Connect to Highline High School.	
<u>S. 152nd Street (8th Ave S. to Des Moines Memorial Drive)</u>	790,000
Evaluate existing three intersections (8th Ave S/S 152nd St, DMMD/8th Ave S, and S 152nd St/DMMD) for comprehensive revisions to improve safety and general awkwardness; consider eliminating an intersection.	
<u>Ambaum Blvd SW Corridor Study (SW 116th St to 1st Ave S.)</u>	60,000
Study Ambaum corridor for safety, capacity, and non-motorized issues.	
<u>SR 518/Des Moines Memorial Drive Westbound On-Ramp</u>	73,500,000
Construct westbound on-ramp from SR 518 to DMMD. Note: Ensure design is consistent with the DMMD Corridor Management Plan.	
<u>Pedestrian and Bicycle Facilities (Citywide)</u>	60,000
Construct bicycle/pedestrian/shared use facilities in unopened rights of way that are not being used for, and not planned to be used for, vehicle access.	
<u>Pedestrian Access Near Schools Study (Citywide)</u>	60,000
Evaluate and prioritize pedestrian access needs near schools, giving consideration to parking and surface water impacts.	
<u>S. 132nd Trail Completion (10th Ave S to 12th Ave S.)</u>	190,000
Install a multi-use bike path on unopened right of way. Completes the physical connection for the 1st Ave S to DMMD neighborhood bikeway.	
<u>S. 132nd Trail Completion (1st Ave SW to 1st Ave S.)</u>	730,000
Install a multi-use bike path on unopened right of way. Install a pedestrian-actuated HAWK signal on 1st Ave South. Completes the physical connection for the 8th Ave SW to 1st Ave S neighborhood bikeway.	
<u>SW 152nd St Downtown Sharrows (10th Ave SW to 1st Ave S.)</u>	170,000
Revise pavement markings to provide sharrows and restripe parking for back-in angle parking.	
<u>Pedestrian Improvements for 21st Ave SW Mid-Block Crosswalk (SW 152nd St. to SW 154th St.)</u>	80,000
Install a Rectangular Rapid Flashing Beacon and bulb-outs to serve the existing mid-block crosswalk.	
<u>UNFUNDED PROJECTS TOTAL</u>	<u>\$116,240,000</u>

Surface Water Management

Project Number:	SW0010
Project Name:	Cove Point Outfall Repair
Project Location:	SW Cove Point Road in Seahurst Park.
Project Description:	An existing stormwater outfall pipe from SW Cove Point Road is causing significant erosion to a steep slope within Seahurst Park. This project includes filling and stabilizing the area of erosion below the outfall. The site will be monitored post-project to assess ongoing stability of the repairs.

Surface Water Management

Project Number:	SW0011
Project Name:	Hermes Outlet Improvements
Project Location:	Hermes Depression is located in the vicinity of SW 130th Street and 6th Avenue SW. The outlet flows from Hermes Depression east to 1st Avenue S. through several private properties.
Project Description:	This project will design and construct a new conveyance for the outlet flows from Hermes Pond that will take significant flows out of private property and keep them in the right-of-way to reach 1st Avenue South. The project includes Hermes Pond pump replacement.

Surface Water Management**

Project Number:	SW0013
Project Name:	Miller Creek Enhancements
Project Location:	This project is located within and adjacent to Burien's Northeast Redevelopment Area (NERA). The project area includes the section of Miller Creek near South 144th Street, South 144th Way, and Des Moines Memorial Drive South.
Project Description:	This project includes construction costs to realign a portion of Miller Creek, daylighting it from existing enclosed culverts, rebuilding, and restoring the stream channel and adjacent riparian areas, floodplains, and wetlands. It is known as Project "O" in the NERA Pilot Project, which includes design of multiple projects.

Surface Water Management**

Project Number:	SW0014
Project Name:	Eagle Landing Park Storm Drainage Improvements
Project Location:	This project is located at Eagle Landing Park at 14641 - 25th Avenue SW, Burien, WA 98166.
Project Description:	This project includes design and construction costs to improve the drainage at Eagle Landing Park. The project consists of the design and installation of a high-density polyethylene (HDPE) pipe to tight-line the existing open drainage through the park and connect to an existing outfall at the southern edge of the park. The project may also include improvements to the existing outfall at the south end of the park, and water quality improvements near the current outfall at the parking lot.

2019 Financial Policies

City of Burien

The City's Financial Policies are intended to serve as a Council-approved set of values and expectations for Council Members, City staff, citizens, and other interested parties who may do business with the City. The use of the term "City" refers to all City officials and staff who are responsible for the activities to carry out these policies. The policies describe expectations for financial planning, budgeting, accounting, reporting, and other management practices. They have been prepared to assure prudent financial management and responsible stewardship of the City's financial and physical resources.

A. City Funds

The City shall utilize "governmental fund accounting" as the organizational structure for its financial activities. The following funds have been established for budgeting, accounting, and reporting.

OPERATING FUNDS

1. The *General Fund* is the general operating fund of the City. It accounts for all financial resources and transactions except those required to be accounted for in another fund.
2. The *Street Fund* is required by state law to account for dedicated state-shared gas tax revenue. The City's parking and solid waste utility tax collections and solid waste franchise fees are also deposited into this fund. Monies in the Street Fund are used for street maintenance and transportation capital projects.
3. The *Surface Water Management Fund* accounts for the maintenance and capital improvements to the City's storm and surface water drainage system. Revenues come from fees collected from residential and commercial property owners.

RESERVE FUNDS

1. The *Equipment Replacement Reserve Fund* provides monies for the orderly replacement of City assets with a value over \$5,000 and with an estimated service life of three or more years. All monies come from the City's Operating Funds (General, Street, and Surface Water Management).
2. The *Public Works Reserve Fund* is utilized for debt service or to accumulate monies for future Capital Improvement Program projects. Funding sources include the Real Estate Excise Tax (REET), Park Mitigation Fees, and transfers from the General Fund.

3. The *Capital Project Reserve* was established to accumulate monies from the City's annual property tax levy for future Capital Improvement Program projects.
4. The *Art in Public Places Fund* was established to provide funds for acquiring and maintaining public art. It is funded by an annual transfer from the General Fund of an amount equal to \$0.50 per capita based on the most recent population estimate.
5. The *Local Improvement District (LID) Guaranty Fund* is required by State law to maintain a balance of not less than 10% of the City's outstanding LID assessments. All monies in the fund come from the Street Fund; any monies in excess of the needs of the LID Guaranty Fund are returned to the Street Fund.

DEBT SERVICE FUND

1. The City maintains a single *Debt Service Fund* to account for the resources necessary to pay principal and interest when due on the City's outstanding General Obligation Bonds, Local Improvement District Bonds, and Public Works Trust Fund Loans.

CAPITAL IMPROVEMENT PROGRAM FUNDS

Three Capital Improvement Program Funds have been established to account for the revenues and expenditures associated with the following Capital Improvement Program project areas:

1. Parks and General Government;
2. Transportation; and
3. Surface Water Management.

B. Resource Planning

1. To assure stability and continuity in City services, the City will prepare and update on a biennial basis a six-year financial forecast for all City Operating and Reserve Funds. This biennial planning process will enable citizens, staff, advisory committees, and the City Council to discuss current and future programs, service levels, and capital facility needs.
2. The relationship between the Operating and Capital Budgets will be incorporated into the financial forecasts and budgets. Maintenance and operating costs associated with new Capital Improvement Program projects shall be disclosed in the Capital Budget when projects are being considered and included in the Operating Budget when the projects are complete.
3. The City Manager shall develop on a biennial basis a financial planning calendar that will provide for the timely update of the six-year financial forecasts for all City Operating and Reserve Funds along with the biennial process to develop, review, and adopt the City's Operating and Capital Budgets.

4. The City's Operating and Capital Budgets will implement City Council adopted goals and policies, long-range plans, and service choices for the community. To the extent financially feasible, the City Manager shall develop a proposed budget that implements the adopted Strategic Plan. The City Council shall use the adopted Strategic Plan and other applicable policies and plans to inform and guide their review and adoption of the biennial budget.
5. The City will use "prudent revenue and expenditure assumptions" in the development of the six-year financial forecasts, and Operating and Capital Budgets. Revenue and expenditure estimates shall be conservative to generally produce variances from budget estimates in the 3% to 5% range for overall fund revenues and 3% to 5% range for overall fund expenditures.
6. One-time resources shall be identified and shall be used to support one-time expenditures. Ongoing expenditure programs shall only be supported by ongoing resources.
7. Where estimated expenditures and fund balances exceed estimated resources for any financial forecast, potential options to bring the six-year financial forecasts into balance shall be included as an integral part of the budget process.

C. Fund Balance and Reserve Levels

Budgeted fund balances shall be established at a minimum of 20% of budgeted recurring revenues for the General Fund and 5% of budgeted recurring revenues for the Street and Surface Water Management Funds.

The City hereby establishes and will maintain reservations of Fund Balance, as defined in accordance with Governmental Accounting and Financial Standards Board Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*. This policy shall only apply to the City's governmental funds. Fund Balance shall be composed of the following five categories:

1. Non-Spendable Fund Balance – Amounts that are not in a spendable form (such as inventory) or are required to be maintained intact (such as the principal of an endowment fund).
2. Restricted Fund Balance – Amounts that can be spent only for the specific purposes stipulated by external resource providers (such as grantors), constitutionally, or through enabling legislation (that is, legislation that creates a new revenue source and restricts its use). Restrictions may only be changed or lifted with the consent of the resource providers.
3. Committed Fund Balance – Amounts that can be used only for the specific purposes determined by formal action of the City Council. Commitments may be changed or lifted only by the City Council taking the same formal action that imposed the constraint originally.
4. Assigned Fund Balance – Amounts the City intends to use for a specific purpose.

5. Unassigned Fund Balance – The residual classification for the General Fund and includes all amounts not contained in the other classifications. Unassigned amounts are the portion of fund balance that is not obligated or specifically designated and is available for any purpose.

The Finance Director shall have the authority to assign amounts of fund balance to a specific purpose; however, before expenditure, amounts must be appropriated by the City Council.

When expenditures are incurred for purposes for which both restricted and unrestricted fund balance is available, restricted fund balance is considered to have been spent first.

When expenditures are incurred for purposes for which amounts in any of unrestricted fund balance classifications can be used, committed amounts shall be reduced first, followed by assigned amounts and then unassigned amounts.

The General Fund includes a \$7.5 million dollar Capital Partnership Reserve. This reserve is in the General Fund and will be leveraged to partner with other agencies on shared capital facilities. An additional \$1 million is set aside for a Capital Equipment Reserve to purchase furnishings and/or equipment for new City facilities. The funds are available for appropriation if the first criteria is met and one or more of the following criteria is also met.

1. Partnership with a public or private entity.
2. The project or the need is identified in an adopted plan or the adopted budget.
3. The estimated cost of the project is a minimum of \$1 million and Burien's share is at least \$500,000.
4. The project can be accomplished better and/or faster with a partnership.

D. Resource Allocation

The City Council has established the following allocations for designated revenues:

1. Not less than \$6.50 per capita will be for Human Services programs. The per capita amount shall increase each biennium by the same cost of living adjustment according to section F.2. of the Financial Policies.
2. A minimum of 40% and a maximum of 50% of Business and Occupation Tax Revenues are dedicated to expanded Economic Development programs and activities.

E. Accounting, Budget, and Financial Practice Policies

1. The City will maintain an accounting and financial reporting system that fully meets professional standards, state accounting requirements, and standards used by debt rating agencies.

2. Financial procedures shall be developed to assure appropriate controls are in place to protect City assets and to provide for the development of timely financial reporting.
3. Procurement policies and procedures shall be developed and periodically updated as needed to meet legal requirements and assure effective and competitive purchasing practices.
4. The City will strive to maintain at least an "A1" bond rating from Moody's Investor Services.
5. The Finance Director shall provide to the City Council not less than quarterly a financial status report for all City Funds. This report will include comparisons of actual revenue and expenditure performance to the respective budget estimates. Where revenue collections are, or are anticipated to be significantly less than budget estimates, and/or, where expenditures are, or are anticipated to be significantly greater than budget estimates, the Finance Director shall include recommendations for possible adjustments or actions.
6. In accordance with state law, the City Manager is authorized to transfer budgeted amounts within any fund; however, any revisions that alter the total expenditure authority (appropriation) of a fund, that increase the total number of authorized employee positions, or that increase any salary range within the pay classification system in the budget by more than 5% must be approved by the City Council.
7. City checks for the payment of claims may be issued prior to the City Council's review and approval of such claims, provided that the City Manager and/or Finance Director have put in place the provisions of RCW 42.24.180 which include the following:
 - a. The Auditing Officer and individuals designated to sign checks shall have in place an official bond for the faithful discharge of his or her duties in an amount equal to or exceeding \$50,000;
 - b. The City Manager shall adopt contracting, hiring, purchasing, and disbursing policies that implement effective internal controls;
 - c. The City Council shall provide for its review of the documentation supporting claims paid and for City Council approval of all checks issued for payment of claims at a Council meeting within one month of issuance of the checks; and
 - d. The City Council shall require that if, upon its review, it disapproves some claims, the Finance Director and individuals designated to sign checks shall jointly establish the disapproved claims as receivables of the City and pursue collection diligently until the amounts disapproved are collected or until the City Council is satisfied and approves the claims.

F. Revenue Policies

1. To minimize the impact of cyclical economic downturns on General Fund revenues and services, the City will attempt to diversify its economic base.
2. Where the City has authority to establish and change fees and charges, all such fees and charges shall be adjusted annually for inflation, based on the change in the Seattle-Tacoma-Bellevue Consumer Price Index - All Urban Consumers for all items for the twelve-month period ending June 30, or other applicable index or measure.
3. The City will establish cost recovery policies for fee supported services which consider the relative public/private benefits received from the services being provided and/or the desirability of providing access to services for specialized populations. These policies will determine the percentage of full service costs to be recovered through fees. The level of cost recovery may be adjusted to ensure that rates are current, equitable, and competitive and cover that percentage of the total cost deemed appropriate. Staff shall submit periodic financial reports to the City Council on the progress in meeting the policies.
4. Grant revenue will be included in the City's financial forecasts and budgets when it is probable the City will receive the grant award.
5. As a general guideline, property taxes levied for general government operations will be at least 1% more than levied in the prior year plus the amount received as a result of new construction. Effective January 1, 2020, 100% of the Property Tax Levy shall be allocated to the General Fund.

G. Capital Improvement Program Policies

1. The City will plan for capital improvements over a multi-year period. The Capital Improvement Program will directly relate to the City's long-range plans and policies. When capital improvements are being planned, maintenance & operating costs will be estimated and identified within the City's financial forecasts. When the capital projects are complete, monies will be included in the City's Operating Budget to provide for maintenance and operating costs.
2. To plan for replacement of the City's physical assets, the City shall maintain a current inventory of all of the City assets, their condition, and estimated replacement costs. The City shall maintain an Equipment Replacement Reserve Fund consisting of cash reserves set aside each year to provide for the timely and orderly replacement of assets. The Equipment Replacement Reserve Fund shall be included in the update of the City's financial forecasts.

3. A capital project is defined as a project of a nonrecurring nature with a cost of \$25,000 or more and estimated service life of at least 10 years including major renovations of existing facilities. Routine maintenance of existing facilities, however, should not be included in capital requests.
4. The Adopted Capital Facilities Element of the Burien Comprehensive Plan provides guidance regarding the development of the City's Capital Improvement Program.
5. For each Fund included in the Capital Improvement Program (Parks and General Government, Transportation, and Surface Water Management), funding sources will be identified so that it will be clear what local funds, grant funds, and other revenue sources are supporting each program.
6. The City will use Community Development Block Grant capital funds for eligible capital projects that are included in the City's adopted Capital Improvement Program. The funds will only be spent on eligible projects that benefit low and moderate income individuals as defined in the Community Development Block Grant regulations.
7. To help improve competitiveness for capital project construction grants and loans, the City should identify and budget resources for project design and matching funds. Potential sources may include water and sewer district franchise fees or utility taxes, and new or updated impact fees for streets and parks to be imposed on new development.

H. Debt Policies

1. When evaluating the use of councilmanic debt and the associated debt service obligations, a financial feasibility analysis will be performed including the City's ability to make debt service payments, taking into account revenue fluctuations associated with periodic economic cycles.
2. Voted and councilmanic debt will be used prudently in a manner to avoid any adverse impact on the City's credit rating.
3. The City will establish appropriate procedures to assure compliance with its bond covenants and all other applicable federal, state, and local laws, policies, or regulations.
4. Debt may be used on a limited basis for specific short-term cash flow needs. Debt will not be used to fund long-term revenue shortages. For major capital projects with long-term useful lives (normally 20 years or more) and where costs exceed short-term cash flows, debt may be used provided there is sufficient discretionary revenue within the financial forecasts plan to service the debt without disrupting the City's existing service delivery programs.

I. Investment Policies

1. The City will follow state law and the following criteria in priority order when investing City monies:
 - a. Preserve capital through prudent financial investments;
 - b. Maintain sufficient liquidity so that monies are available when needed;
 - c. Achieve the best available rate of return;
 - d. Manage the investment yields of bond proceeds to avoid the potential for payment of rebates; and
 - e. Ensure that investment instruments acquired with bond proceeds are purchased at fair market value.
2. The City will provide the appropriate accounting and reporting for any private donations or monies held in trust by the City.

J. Financial Management and Organizational Review Policies

1. The City Manager will periodically review the City's organizational structure to assure that it is responsive to current conditions; and to eliminate service duplication within the organization and with other local government jurisdictions. Periodic performance audits may be used to assess organizational costs and effectiveness. Periodic budget reviews shall be made to examine departmental and/or program line-item costs. The City Manager has the authority to revise the organizational structure to improve performance and address opportunities, within the adopted budget.
2. The City Manager will periodically evaluate the City's administrative and direct service delivery systems to determine whether a service should be provided by the City, by agreement with a qualified and competitively priced private or public contractor, or eliminated due to changes in community needs and expectations.
3. The City Council will adopt, through the biennial budget, service levels, a work program, and performance standards that reflect City revenues, community expectations, and legal requirements. The City is committed to examining how it provides services so that service levels and performance standards are met or exceeded at the least cost to the public.
4. The City's compensation structure (salaries and benefits) will be reviewed at least every three years. The City's compensation structure shall be competitive with that of comparable public sector employers in the relevant recruiting or market area; however, no adjustments shall be made if it is determined the City does not have the ability to pay. The criteria for reviewing

employee salaries and benefits will also include internal comparability for similar jobs. If relevant private sector comparisons are available, they will be considered. Annual cost of living adjustments will be based on 100% of the change in the Seattle-Tacoma-Bellevue Urban Wage Earners and Clerical Workers Consumer Price Index for all items the twelve-month period ending June 30, or other applicable index or measure, rounded to the nearest one-tenth percent.

5. The City will, within available resources, maintain the productivity of staff through a supportive working environment, which includes appropriate equipment, supplies, materials, and professional staff development.
6. The City will evaluate its use of intergovernmental service contracts to prevent duplication of services and to assure an effective and efficient service delivery system to the community.
7. The City adopts biennial budgets at the start of every odd-numbered year. The biennial budget provides a two-year expenditure appropriation with side-by-side one-year budget displays. To avoid overspending the two-year appropriation too quickly, departments are held to single-year budgets and are generally not able to commit funds from the second year of the biennium before it begins. The City Manager may approve the carryover of unspent funds from the first year to the second year if it is determined that a program and/or project was not complete at the end of the year and funds are available.

K. Contract Approval Authority

The approval authority for execution of City contracts is as follows:

1. The City Manager will have authority to sign contracts up to \$25,000.
2. The City Manager will have authority to sign contracts over \$25,000 for equipment, goods, and services that are included in the Adopted Budget. The City Manager shall provide a report of such contracts signed as part of the quarterly financial report.
3. Contracts that exceed Adopted Budget spending authority must be placed on the Council agenda for discussion and approval.
4. Contracts over \$25,000 for initiatives not included in the Adopted Budget must be placed on the Council agenda for discussion and approval.
5. All capital projects in which there is a material change in scope must be placed on the Council agenda for discussion and approval.

L. Debt Collection

1. The Finance Director shall establish and maintain policies and procedures relating to the collection of debt.
2. The Finance Director shall establish policies and procedures governing the assignment or other referral of delinquent accounts or debt to a collection agency that has entered into a contract with the City for that purpose.
3. In certain cases, amounts which are due any City department, from an individual or a corporate debtor may remain unpaid for long periods of time. After the Finance Director and the City Manager have determined that there is no cost effective means of collecting the debt, the debt may be cancelled, written off, or reduced.
4. Amounts due to the City which are \$1,000 or less, after reasonable efforts for collection and or settlement have been made, may be written off upon approval of the City Attorney and the Finance Director. Any debts that are approved for discharge shall be reported as part of the quarterly financial reports.
5. Amounts due to the City between \$1,001 and \$5,000, after reasonable efforts for collection and or settlement have been made, may be written off by the City Manager upon the recommendation of the City Attorney and the Finance Director. Any debts that are approved for discharge shall be reported as part of the quarterly financial reports.
6. Amounts due to the City greater than \$5,000, after reasonable efforts for collection and or settlement have been made, will be presented to the City Council for approval to be written off.

Glossary of Terms

ACCOUNTING SYSTEM. The methods and records established to identify, assemble, analyze, classify, record, and report a government's transactions and to maintain accountability for the related assets and liabilities.

ACCURAL BASIS. The recording of the financial effects on a government of transactions and other events and circumstances that have cash consequences for the government in the periods in which those transactions, events, and circumstances occur, rather than only in the periods in which cash is received or paid by the government.

AD VALOREM TAX. A tax based on value (e.g., a property tax).

ANNUAL BUDGET. A budget applicable to a single fiscal year.

APPROPRIATED BUDGET. The expenditure authority created by the appropriation bills or ordinances, which are signed into law, and the related estimated revenues. The appropriated budget would include all reserves, transfers, allocations, supplemental appropriations, and other legally authorized legislative and executive changes.

APPROPRIATION. A legal authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes. An appropriation usually is limited in amount and time it may be expended.

ASSESSED VALUATION. A valuation set upon real estate or other property by a government as a basis for levying taxes.

BARS. Budgeting, Accounting & Reporting System. Refers to the accounting rules established by the Washington State Auditor's Office, including a prescribed chart of accounts.

BASIS OF ACCOUNTING. A term used in reference when revenues, expenditures, expenses, and transfers, and the related assets and liabilities, are recognized in the accounts and reported in the financial statements. Specifically, it relates to the timing of the measurements made, regardless of the nature of the measurement, on either the cash or the accrual method.

BENEFITS. Costs paid by the City on behalf of its employees. Examples include: medical and dental insurance, retirement, deferred compensation, life insurance, and worker's compensation.

BUDGET. A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. Used without any modifier, the term usually indicates a financial plan for a single fiscal year.

BUDGET DOCUMENT. The instrument used to present a comprehensive financial program to the appropriating governing body. The budget document usually consists of three parts. The first part contains a message from the budget-making authority, together with a summary of the proposed expenditures and the means of financing them. The second consists of schedules supporting the summary. These schedules show in detail the past years' actual revenues, expenditures and other data used in making the estimates. The third part is composed of drafts of the appropriation, revenue, and borrowing measures necessary to put the budget into effect.

BUDGET MESSAGE. A general discussion of the proposed budget as presented in writing by the budget-making authority to the legislative body. The budget message should contain an explanation of the principal budget items, an outline of the government's actual financial experience during the past period, its financial status at the time of the message, and recommendations regarding the financial policy for the coming period.

BUDGETARY CONTROL. The control or management of a government or enterprise in accordance with an approved budget to keep expenditures within the limitations of available appropriations and available revenues.

CAPITAL ASSETS. Long term assets, normally exceeding \$5,000 in value and having a useful life of more than one or two years, such as major computer equipment, buildings, and land.

CAPITAL EXPENDITURES. Expenditures of current financial resources for constructing or purchasing capital assets. Under the modified accrual basis of accounting, these acquired assets appear as expenditures in the fund statements, however, under the current reporting model these acquired assets are recognized as assets in the basic financial statements.

CAPITAL IMPROVEMENT PLAN. A plan for capital expenditures to be incurred each year over a fixed period of years to meet capital needs arising from the long-term work program or other capital needs. It sets forth each project or other contemplated expenditure in which the government is to have a part and specifies the resources estimated to be available to finance the projected expenditures.

CAPITAL PROJECT FUND. A fund created to account for financial resources to be used for the acquisition or construction of major capital facilities.

DEBT. An obligation resulting from the borrowing of money or from the purchase of goods and services. Debts of governments include bonds, time warrants, and notes.

DEBT SERVICE FUND. A fund established to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

DELINQUENT TAXES. Taxes remaining unpaid on and after the date to which a penalty for nonpayment is attached. Even though the penalty may be subsequently waived and a portion of the

taxes may be abated or canceled, the unpaid balances continue to be delinquent taxes until abated, canceled, paid, or converted into tax liens.

ENCUMBRANCE. Commitments for unperformed contracts for goods or services.

EXPENDITURES. Decreases in net financial resources. Expenditures include current operating expenses requiring the present or future use of net current assets, debt service, and capital outlays, and intergovernmental grants, entitlements, and shared revenues.

FISCAL YEAR. A 12 -month period to which the annual operating budget applies and at the end of which a government determines its financial position and the results of its operations.

FIXED ASSETS. Long-lived tangible assets obtained or controlled as a result of past transactions, events, or circumstances. Fixed assets include buildings, equipment, improvements other than buildings, and land.

FUND. A fiscal and accounting entity with a self-balancing set of accounts in which cash and other financial resources, and related liabilities and residual equities, or balances, and changes therein, are recorded and segregated to carry on specific activities or attain certain objectives in accordance with special regulations, restrictions, or limitations.

FUND BALANCE. The difference between fund assets and fund liabilities of governmental and similar trust funds.

GENERAL FUND. The fund used to account for all financial resources, except those required to be accounted for in another fund.

GENERAL LONG TERM DEBT. Long term debt expected to be repaid from governmental funds.

GENERAL OBLIGATION BONDS. Bonds issued the repayment of which the full faith and credit of the City is pledged.

GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP). Uniform minimum standards and guidelines for financial accounting and reporting. The primary authoritative body on the application of GAAP to state and local governments is the Government Accounting Standards Board.

GOVERNMENTAL FUNDS. Funds generally used to account for tax supported activities. There are five different types of governmental funds, of which the City uses four of these. The general fund, is the main operating fund of the City. The special revenue funds, are used to account for proceeds from specific sources to be used for legally restricted purposes, but normally not for major capital projects. The debt service funds, which are for the accumulation of resources to pay principle and interest on the City's general long term debt. The capital project funds, which are used for the acquisition or construction of major capital facilities.

LEGAL LEVEL OF BUDGETARY CONTROL. The level at which spending in excess of budgeted amounts would be a violation of law.

LEVEL OF BUDGETARY CONTROL. One of the three possible levels of budgetary control and authority to which organizations, programs, activities, and functions may be subject. These levels of budgetary control are (a) appropriated budget, (b) legally authorized non-appropriated budget process or (c) non-budgeted financial activities, which are not subject to the appropriated budget and the appropriation process or to any legally authorized non-appropriated budget review and approval process, but still are relevant for sound financial management and oversight.

LEVY. (1) (verb) To impose taxes, special assessments, or service charges for the support of government activities. (2) (Noun) The total amount of taxes, special assessments, or service charges imposed by a government.

MODIFIED ACCRUAL BASIS. The basis of accounting associated with the governmental fund-type measurement focus. Under it, revenues and other financial resources are recognized when they become susceptible to accrual that is when they become both "measurable" and "available" to finance expenditures of the current period. Expenditures are recognized when the fund liability is incurred except for inventories of materials and supplies that may be considered expenditures either when purchased or when used. All governmental funds, expendable trust funds, and agency funds are accounted for using the modified accrual basis of accounting.

OPERATING BUDGET. Plans of current expenditures and the proposed means of financing them. The annual operating budget is the primary means by which most of the financing, acquisition, spending, and service delivery activities of a government are controlled. The use of annual operating budgets is usually required by law. Even when not required by law, however, annual operating budgets are essential to sound financial management and should be adopted by every government.

OPERATING TRANSFERS. All interfund transfers other than residual equity transfers (e.g., legally authorized transfers from a fund receiving revenue to the fund through which the resources are to be expended).

PROGRAM BUDGET. A budget wherein expenditures are based primarily on programs of work and secondarily on character and object class.

PROPRIETARY FUND TYPES. Sometimes referred to as income determination or commercial-type funds, the classification used to account for a government's ongoing organizations and activities that are similar to those often found in the private sector. The GAAP used are generally those applicable to similar businesses in the private sector and the measurement focus is on determination of net income, financial position, and changes in financial position.

REVENUES. (1) Increases in the net current assets of a governmental fund type from other than

expenditure refunds and residual equity transfers. Also, general long-term debt proceeds and operating transfers in are classified as "other financing sources" rather than as revenues. (2) Increases in the net total assets of a proprietary fund type from other than expense refunds, capital contributions, and residual equity transfers. Also, operating transfers in are classified separately from revenues.

SPECIAL ASSESSMENTS. A compulsory levy made against certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit primarily those properties.

SPECIAL REVENUE FUND. A fund used to account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditure for specified purposes. GAAP only require the use of special revenue funds when legally mandated.

TAXES. Compulsory charges levied by a government to finance services performed for the common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits, such as special assessments. Neither does the term include charges for services rendered only to those paying such charges (e.g., sewer service charges).

TAX LEVY ORDINANCE. An ordinance through which taxes are levied.

TAX RATE. The amount of tax stated in terms of a unit of the tax base (e.g., specified amount per \$1,000 of assessed valuation of taxable property).

TAX RATE LIMIT. The maximum rate at which a government may levy a tax. The limit may apply to taxes raised for a particular purpose or to taxes imposed for all purposes, and may apply to a single government or to a class of governments operating in a particular area. Overall tax-rate limits usually restrict levies for all purposes and of all governments, state and local, having jurisdiction in a given area.
